June 29, 2007

Dear Members and Friends of United Evangelical Church,

At a special congregational meeting on April 22, 2007, the congregation voted not to sell the Sunday School building, reversing a previous vote taken in 2006 allowing for the sale of the building. This meeting was called because the Church Council determined that selling the building is not in the best interest of United Evangelical at this time, and that the council needs to focus on pursuing other options.

At this same meeting the congregation voted to have some much needed restoration work done on our stained glass windows. The windows are extremely valuable and add greatly to the beauty of our building and to the worship life of our congregation. We have contracted with Higgins & Associates to have the needed repairs done and to install protective glass over each window to protect them from future damage. This work will begin in July 2007.

This is to invite you to be a part of his historic restoration. The cost to restore and protect each window is \$4,400. After the restoration is completed the windows will be rededicated. A plaque will be placed at each window to acknowledge a family or individuals who wish to provide for the cost of restoration of a window. Below are the options through which you can participate in this project.

**Option 1:** If you are able to provide the full cost for restoration, the amount is \$4,400. The plaque will read:

This window restored to the glory of God  
by (Name)  
2007

The original window donor name will be left intact at the window. We are grateful that at this time we have already received a pledge to restore one of the ten windows.

**Option 2:** If you wish to join with others and share the cost to restore a window, several families or persons may jointly share the \$4,400. The plaque will read:

This window restored to the glory of God

by **(Names)**

2007

**Option 3:** If you wish to make a contribution of a lesser amount, there will be windows with the following dedication:

This window restored to the glory of God

by the members and friends of this congregation

2007

Contribution can be mailed to the church designated for window restoration.

All members and friends are encouraged to contribute to one of the three options. For additional information or to pledge your contribution, please contact council president Harvey Jacob at 410-679-6163 or by email at [harvemd@juno.com](mailto:harvemd@juno.com).

Thank you for helping make this important restoration project a success as we continue to be a vital Christian witness in the Canton/Highland communities of Baltimore.

In Christ's service,

Harvey Jacob, President  
On behalf of United Evangelical Church Council
