EARLY SERVICE TO BE BRIEF

The poll recently taken indicated 2 to 1 that folk desired the service to remain at the 8 a.m. hour (7:45 on Communion Sundays) abbreviated as much as necessary to fit in with the total Sunday schedule. Thus, beginning this morning, certain features will be discontinued in this service, as we seek to bring it in the 45-50 min. pattern, save on Communion Sundays.

Those attending the early service are requested to place Attendance cards on offering plate along with their morning offering. It is important that each person attending the ser-

Being formerly a co-president of our fine denomination, Dr. Wagner is exactly the right person to bring to us a view of the enormous work our church is doing in the name of Christ across our little world. We welcome you and thank you, Dr. Wagner.

BISHOP PLAYERS HERE WEDNESDAY NIGHT, 8 P.M.

This is the night we've been waiting for, the occasion of these dramatists from California being with us to present two chancel plays here in our church. Though we have had to promise a definite honorarium to these professionals to bring them here, we are only

going to have an offering no tickets of admission being sold. But we do desire all to bring a very special offering this night. If possible, could you make your offering a cash offering, bringing the regular envelope offering later. We must be able to count the offering yet that night, and if we have envelope giving, it will be too drawn out a job. And, may we request a sizeable offering please, that we may be able to meet the expectations. We need the sanctuary full this night, so please bring yourself, family members and all your neighborhood friends.

## OUR DRAMATIC PRESENTATION

Do you know that this is one of the few, if not the only dramatic presentation of the Lord's Supper in our city. Your pastor has inquired if there are others, and as yet has not discovered any. This is the 13th year in which this presentation has been presented, beginning in 1951, and omitting one year. What a splendid record, a true tradition, a wonderful love offering to our Lord which we can reverently present each year. We thank those who have been instrumental in producing this drama, and those who participated.

our denomination, with other Protestant groups  
to continually meet some of the needs

still feeling the effect of past wars and  
present tumults all over our world. Our  
church is requested to contribute about a  
thousand dollars each year to this. If at  
all possible, may our contributions indivi-  
dually be at least \$1.00 per offering, and  
more if possible, so we can meet this asking

## MATTERS FOR YOUR INFORMATION

The period prior to our services is to be a time for quietness and meditation, preparing for the service. Thus the organ music is quiet and the lights are dimmed. Bulletins may be read when you get them home.

The early service is thought of primarily as a brief service of prayers and a sermon and not as a duplication in any way of the later service. Thus the features differ.

"Memorials" are to be included as a part of the Sunday bulletins, thus beginning next Sunday they will not be read. Memorial gifts must be in the office by Wed. of any week to be upon the printed bulletin.

As a result of the discussions at Church Council meeting, brought forth by one of our committees, the Sacrament is to be an integral part of the service each 1st Sunday, being placed before the morning sermon and all members admonished to partake monthly of the Sacrament. On Communion Sunday even the liturgy in the late service will be abbreviated and the fact of the Sacrament and Sermon made paramount. On that Sunday worshippers are requested not to sit in the balcony for either service, to thus assist in the even flow of the service. Communion cards and attendance cards will be received early in the service and should be prepared as soon as one's seat is taken, and passed to the center aisle, as we always do for Attendance cards.

From now on applicants for membership will be received on the last Sunday of the month.

To further assist in the even flow of the services, oral announcements will refer only to the pressing matters.

## MATTERS FOR YOUR INFORMATION

The period prior to our services is to be a time for quietness and meditation, preparing for the service. Thus the organ music is quiet and the lights are dimmed.

The early service is thought of primarily as a brief service of prayers and a sermon and not as a duplication in any way of the later service. Thus the features differ.

"Memorials" are to be included as a part of the Sunday bulletins. Memorial gifts must be in office by Wed. of any week.

As a result of the discussions at Church Council meeting, brought forth by one of our committees, the Sacrament is to be an integral part of the service each 1st Sunday, being placed before the morning sermon and all members admonished to partake monthly of the Sacrament. On Communion Sunday even the liturgy in the late service will be abbreviated, and the fact of the Sacrament and Sermon made paramount. On that Sunday worshippers are requested not to sit in the balcony for either service, to thus assist in the even flow of the service. Communion cards and attendance cards will be received early in the service and should be prepared as soon as one's seat is taken, and passed to the center aisle, as we always do for Attendance cards.

Grant us the strength to labor as we know,

#### REVELATION

I knelt to pray when day was done,  
And prayed, "O Lord, bless everyone;  
Lift from each saddened heart the pain,  
And let the sick be well again."  
And then I woke another day  
And carelessly went on my way.  
The whole day long I did not try  
To wipe a tear from any eye;  
I did not try to share the load  
Of any brother on my road;  
I did not even go to see  
The sick man just next door to me.  
Yet once again when day was done  
I prayed, "O Lord, bless everyone."  
But as I prayed, into my ear  
There came a voice that whispered clear:  
"Pause, hypocrite, before you pray,  
Whom have you tried to bless today?  
God's sweetest blessings always go  
By hands that serve Him here below."  
And then I hid my face, and cried,  
"Forgive me, God, for I have lied;  
Let me but see another day  
And I will live the way I pray."

## BATTLE HYMN OF REPUBLIC

Mine eyes have seen the glory of the coming  
of the Lord;

He is trampling out the vintage where the  
grapes of wrath are stored;

He hath loosed the fateful lightning of His  
terrible swift sword;

His truth is marching on.

Cho: Glory, Glory Hallelujah (3 times)

His truth is marching on.

In the beauty of the lilies Christ was born  
across the sea,

With a glory in His bosom that transfigures  
you and me;

As He died to make men holy, let us die to  
make men free

While God is marching on. (Chorus)

## THY WORD IS LIKE A GARDEN

Thy Word is like a garden, Lord, With flow'rs  
bright and fair;

And every one who seeks may pluck A lovely  
cluster there, (repeat)

Thy Word is like a deep, deep mine; And jew-  
els rich and rare

Are hidden in its mighty depths For every  
searcher there (repeat)

Thy Word is like a starry host: A thousand  
rays of light

Are seen to guide the trav'ler home And make  
his pathway bright (repeat)

O may I love Thy precious Word, May I explore  
the Mine,

May I its fragrant flowers gleam, May light  
upon me shine (repeat). Amen.
