

**SUNDAY, OCT. 4
IS COMMUNION SUNDAY**

This will be the first Communion of the Fall season here at United. Truly, the offering of the Sacrament again after the transition of the summer months, plus the emotional appeal of World Wide Communion, should bring all our members to the church for the Sacrament this day. For it is on this single day in the entire year that all of Protestant joins in the Sacrament, not only here in the U. S. but around the world. At all other seasons individual churches and communions follow their own schedules. Some have Communion each Sunday. Others monthly, yet others seasonally. However, on the first Sunday of every October, all join in the provision of the Sacrament to their congregations. So, from the farthest, remote section of the world to the U.S., in their various time zones, non-Roman Catholics join in the observance of the Lord's Supper. And, since the Roman Catholic observe the Mass (the R.C. version of the Sacrament) every Sunday, it can realistically be said that all Christians are urged to partake of the blessed Sacrament on this particular Sunday. Is this not in itself an achievement in the furtherance of unity in Spirit?

Thus, let it not be said that

The United Endeavor

OCTOBER 1970

UNITED EVANGELICAL CHURCH BALTIMORE, MD. 21224

you fail your Lord by turning aside this invitation. We desire all to make unusual efforts to be in attendance at either the 7:45 or 10:15 a.m. service on Oct. 4 for the Holy Sacrament.

**SPECIAL OFFERING
OCT. 4TH**

We are having this special offering for 'the world in need,' this Fall instead of the past Spring because the materials did not get to us in time. Normally we have two such offerings per year, this year only one. Thus, may we forthrightly suggest your offering (individual and family) in the enclosed envelope be twice what you normally would be giving, to make up for the loss of our Spring Church World Service Offering. Please read the enclosed circular carefully, and be sure to bring this envelope along with your regular offering to services on Sunday, October 4th.

As is stated in the brochure - 'Help is needed to feed the hungry, to provide know-how to developing nations, to set up self help projects. One Great Hour of Sharing is your way to respond to human need in Christian compassion.' Come now, let us all help together.

SERMONS FROM HEBREWS CONTINUE

Pastor Rasche is continuing the messages from the Epistle to the Hebrews, one of the most important documents of Christian Theology. Be present with us each Sunday to meditate upon each of these important texts.

Of Hebrews the commentarian says 'The Epistle to the Hebrews is today the least known of the major New Testament writings....While Hebrews will never rival the Gospels or Paul's Letters in popularity, it contributes to the richness of New Testament Christianity and merits careful study today.' Be constant in God's House and receive the blessings of His Word.

TWO CONFIRMATION CLASSES ORGANIZED

The class for 12 yr. olds (the 1st year class) which meets on Sunday mornings at 9 a.m. in Friendship Hall as a part of the Jr. Hi. department, is composed of 16 young men and women. This is the first such class under our newly adopted 2 yr. period of instruction. Hereafter, all youth will have to attend 2 yrs., so if there are any 12 yr. olds not attending at present it is not too late to enter, for even if you wait until you are 13, you will still be required to attend two years.

The last 1 yr. class (for 13 yr olds) meets on Thursday evening at 7:30 to 9 p.m. This class is composed of 18 youth. Here again it is not too late to enter, but this must be done soon, as make-up work must be accomplished. Meetings are held also in Friendship Hall.

MOMENTS OF CONCERN

"In Korea, you help support the Children's Charity Hospital which, in addition to its normal work, includes care for 27,000 inpatients (and 12,000 outpatients) per year and serves as medical center for 10 000 orphans in 100 orphanes in the Pusan area.

In Nigeria during the recent civ-

il war, you helped to send relief supplies through Church World Service to thousands of suffering people on both sides of the conflict. Today, in cooperation with the Nigerian government and the Christian Council of Nigeria, tens of thousands of persons are aided with medicines and food; and multipurpose food is provided for schoolchildren throughout the country.

In Vietnam, you have, since 1956 helped support the work of International Voluntary Services, Inc., which provides teams of agricultural technicians, educators, and public health workers through whom more than 10,000 Vietnamese benefit each year. Through your gifts you also help Vietnam Christian Service to provide medical clinics, nutrition and self-help projects and agricultural and trade training eleven refugee communities - in a new nation where in South Vietnam alone there may ultimately be two million refugees as a result of the present war.

As a member of the United Church of Christ you help support mission and service work in a total of thirty-five new nations throughout the world."

These facts were gathered from the most recent copy of "Task Force" a publication for leaders of the United Church of Christ, and which is distributed each month to the members of our Church Council.
