RE: FOLDING PARTITIONS FOR UNITED EVANGELICAL CHURCH

Dear Mr. Meyers:

This letter will reflect requested revisions as per your council meeting Tuesday July 20, 1965, at which time Mr. Schwartz presided.

At that time it was agreed to shorten the pair of partitions to 37'8" and install a 3'0" x 6'6" partition at one end to facilitate the access from one side to the other for the young members of the congregation (see attached sketch). At the same time a vote was taken as to what type of partition was to be used. The following quote reflects that decision:

SOUNDMASTER 240	37'8" x 9'5"	folding as pair
SOUNDMASTER 80	3'0" x 6'6"	folding as single
Opening preparation with partitions complete		\$2850.00.

Please see attached contract for extent of work.

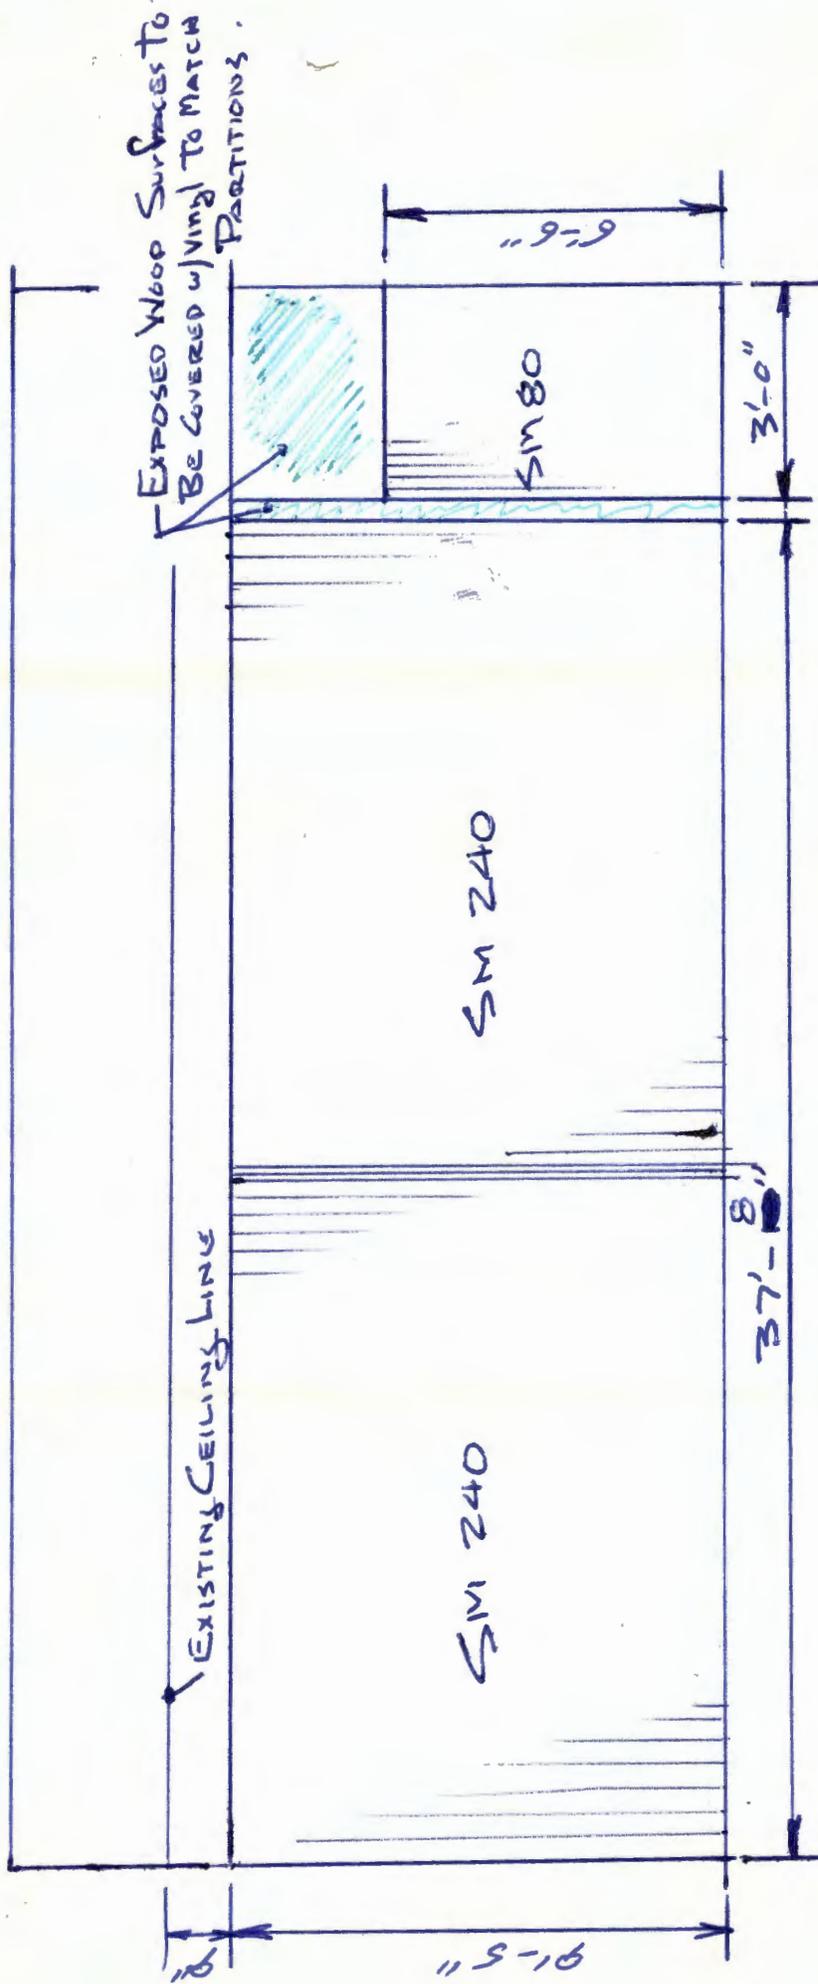

Thanking you for your interest in MODERNFOLD PARTITIONS, we are,

Very truly yours,
