To the Pastor, Church Council and Congregation:

Attached hereto, is the final report of the All Church Sour Beef Luncheon and Supper which was held on Tuesday and Wednesday, October 20th and 21st, 1992. The net profit was \$12,604.65. The Supper was a huge success.

The group of 80 to 100 persons who volunteered their services during the 6 days of preparation for the supper were wonderful people, many of them coming back to work each day.

Friday, October 16th men and women came in at 9:00 a.m. to help cut up and marinate the 1022½lb. of beef. There was a good turn out of men to lift the heavy pots.

There are many thank you's which I have listed and hopefully I have not overlooked anyone.

First and foremost I would like to thank Art Jones for the magnificent effort he put forth to sell 'Ads' in the Sour Beef brochure. Through the efforts of Art a total of \$1,338.00 was paid for 'Ads' which he solicited. Thank you Art for a job well done.

I want to thank Paul Bauersfeld for borrowing pots from the Highland Clipper Club and 'thank you' to George Hammerbacher for borrowing big pots from the Conkling Club. I thank Ben Long for loaning us the ice tea maker from the Scouts.

Thank you to Jim Tallagsen, Art Jones, Henry Will, John Strong and BEN Long for purchasing a great portion of the supplies needed for the Supper.

Thank you to Pastor and Mrs. Armstrong for the warm greeting they gave to each one as they arrived to have lunch or supper.

Thank you to the Young Women's Guild, Ladies'Aid Society, the United Sewing Group, the Senior Choir, the Youth Choir, the Youth Group, the Boy Scouts, the Church Council members, the friends of "United" and the good members of our church. Your kindness in helping with this affair was so much needed and appreciated.

A special 'thank you' to Margaret Craig and her waitresses for the handling of the dining room. This is a tremendous task and she does it well.

Special thanks to Isabel Parker and her crew for the patience shown by them in filling the carry out orders.

A special 'thank you' to Elizabeth Erdman and her dumpling boilers, the dumpling mixers and the dumpling makers. I have estimated approximately 4,000 dumplings were made for the supper..

Thank you to Lillian Sauer for the delicious lima-bens which people rave about.

Thank you to Gloria Single and her crew at the steam table passing out bowl after bowl of food, etc. It is a hot job, yet done so professionally.

Thank you to the men and ladies who helped clean up after the Supper, for all who took bags of trash out to the dumpster which we borrowed from the City.

Thank you to Millie Slechta for selling the tickets at the Dillon St. door, printing the 'Ad' book and printing the Raffle tickets. A tremendous job, well done.

Our men at the door - Bill Voelker and Louis Parker, Sr. deserve a special word of thanks for selling the tickets at the East Ave. door and after the supper was over they counted the money taken in, and, got the deposit ready for the bank the next day. Thank you to Ben Long and Art Jones for taking the money to the bank.

Thank you to the <sup>Great server</sup> Pie cutter-uppers. Truly a sweet job.

Thank you to all who helped me to make the Sour Beef gravy - crushing the Ginger Snaps, making brown flour, and making the ginger snap solution. Thank you to Ruth Pearce who constantly stirred the gravy as it was being prepared.

My only regret was Cass Young ~~Cass Young~~ slipping on a wet floor, falling and breaking her wrist, thumb and hurting her shoulder. We all hope Cass will soon be well.

Our labor of love was a huge success. If I failed to thank someone I'm sorry, it was not intentional.

"United" You are the greatest. Humbly I say to all of you "thank you for a job well done.

Respectfully submitted,

Grace E. Fader  
Chairperson
