

May 5, 1992

The regular monthly meeting of the United Evangelical Church, U.C.C. was held on Tuesday, May 5, 1992.

All members were present.

The April budget is \$3400.00 over budget.

Correspondence

A letter was received from Pastor Armstrong in regards to his vacation. He will not be here at our next Council meeting. Council approved his absence.

Property

Sam Jones has an estimate for the chairlift from the hallway to Friendship Hall. It will be \$7295.00 for installation, \$1500.00 for additional safety features, and \$250.00 for the electrician. A total of \$9000.00.

Council agreed that this estimate be presented to the Congregation to see if there is any interest in our installing this chairlift. We also must find a way to get additional money for this project. Sam Jones agreed to make the presentation to the Congregation from the pulpit.

The roof between buildings has been cemented and coated.

Bathroom window and installation around air-condition will be taken care of this Saturday. It will cost about \$60.00. Grace Fader made a motion and Ben Long second to have this project done.

Sam Jones will take a look at the carpet in the Church. Some of the carpet is worn in spots, and Sam will report back to us to see if it can be repaired.

Sam will also look at the door to Church School and repair it.
