

September 1. 1992

The regular monthly meeting of the Church Council of the United Evangelical Church, UCC. was held on Tuesday, September 1, 1992. All were present except Cass Young, Sam Jones, and Art Jones.

The minutes and the July and August reports were approved as presented.

Harvey Jacob, our Financial Secretary, was not sure of the donation we should send to Pat Kelly for his speaking engagement at our church. It was suggested that he talk with Calvin Gundlack, past Financial Secretary, to see what was given on his last visit.

We received a gift of money from the Moreno Corporation for the Super Pantry.

Checks from the participating churches at the Korean Park Good Samaritan Ceremonies were given to Harvey Jacob. Five dollars was requested from each church and Saint Casimers gave ten dollars.

Pastor Armstrong paid fifty dollars himself for the plaques that were given to participants that day. All monies went to the Super Pantry.

Property

The painting of the chairs in Friendship Hall will cost about \$8.00 a chair. The Theyer Painters are interested in painting the chairs. Harvey Jacob will pursue this project further and report back to us.

The painting of the library in the Church School is completed.

The cost of painting the entire inside of the Church School is approximately \$5000.00.

PASTOR'S REPORT

ADJOURNMENT/CLOSING PRAYER

FIRST PAGE OF MINUTES ON REVERSE SIDE

Carpet in Church needs replacing.

Choir room needs volunteers to do the work needed to improve the room.

Fellowship

September 20, 1992 is our church's 119th. Anniversary Sunday.

It has been decided to have a coffee hour after 8 o'clock service and before 10:30 service in Friendship Hall. We are trying this as a new adventure! It is also Bring A Friend To Church Sunday.

Spiritual Committee

Harvey Jacob brought up the question " Why don't we say Apostle's Creed or Nicene Creed in our services?" Pastor Armstrong uses a simplified confession of faith. He will explain why he does this sometime.

Ushering

A suggestion was made that more ushers are needed at 10:30 service during summer services.

Old Business

A motion was made by Ben Long and second by Wayne Schaefer to spend no more than \$2200.00 if necessary for a new refrigerator for the kitchen.

Copier Machine

Harvey has not gotten back to A.D.Dick Co. for more information on the copier machine.

It was suggested we farm out our printing to Jim Pate. George Hammerbacker and Pastor Armstrong will look further into this suggestion.

Computer

Review computer record form and bring revised form back next month so John Price can complete his list for the computer.

The Church Council unanimously agreed that anyone wanting to use the church facilities for any social affair must have council approval.

George Nassner explained all events are put on the master calendar in secretary's office.
