Dear George:

May 19, 1991 is Pentecost Sunday. It will be a wonderful time to honor the men of the United Pleasure Club at St. Batz. If it is alright with you, we will have them march in with the Choir on that day. I am very happy to be able to mend a fence with has been too long broken.

Could you give me a list of activities they used to do at the church and some they are doing today so I can prepare the tribute.

Thanks again for your work on this.

Kindest Personal Regards,

Robert M. Armstrong
Pastor
