SUBJECT: Ramp for Disabled

You will be happy to know that the Council unanimously supported the building of a ramp for the disabled in the front of the church. I would suggest that you get together with Jim Tallagsen and see if we can get some bids on the construction of that ramp. It might be placed by the door where there are only two steps to get up. Once we get the price, we can see how the Lord will help us to put together the money to do this. Thanks so much for you interest in all of us who might some day need that ramp and for those who need it now.

Dear Margaret,

On behalf of the members and Church Council of United Evangelical Church, I wish to express our sincere thanks and appreciation to the Ladies Aid Society for their most generous gift of \$2000 to be used for the paving of the alley behind the Church and Church School.

When we were first approached by Baltimore City concerning the paving of the alley, the Church Council had voted to finance the payment through the City over a period of five years. Now, thanks to your generosity we will be able to make one payment for this work once it is completed.

Baltimore City will bill the Church for the paving of the alley only after all work has been completed and I will advise you of same after we have received the bill.

Again, please accept of sincere thanks for not only this gift but all the support your organization has given to our Church over the years. Without the cooperation and support of organizations such as yours it would be very difficult for our Church to survive and carry on God's work in the Canton community.

Very truly,

Clarence Rowell

SUBJECT: Yellow Ribbon

The Council unanimously approved your gift of the yellow ribbon in memory of those serving in the Middle East in the armed forces of the United States. The suggestion was that the ribbon also be put there to also remember all those who are hostages at this time. Thanks so much for your thoughtfulness in this issue. You might time the placement of the ribbon for November 18th at 10:30 and make a short statement during my installation in the afternoon. Suggested placement is on the rail on the pulpit side of the chancel. Let's review this.
