

June 5, 1990

The regular monthly meeting of the United Evangelical UCC was held on Tuesday, June 5, 1990, president, Mr. Clarence Rowell, presiding. All council members were present except for Lou Parker, Buck Carrigan, and Catherine Young. The minutes and financial reports were approved as presented with additions and corrections. Corrections to the minutes were:

- we will be using the sign outside the Sunday School.
- the organ enhancer was not purchased.
- a \$200 donation was made for the dishes.

#### Correspondence

1. A donation of \$100 from the Central Atlantic Conference (CAC) was made to the Youth group. It must be used in a meaningful way.
2. The Anchorage newsletter will publish our name, address and service times.

#### Pastoral Search Committee

Bob Armstrong--the CAC doesn't want interim to be under consideration for the permanent position. The committee will talk to him, explain the situation, and ask him if he wants to wait.

A motion was made by Jim Tallagsen and seconded by Fred Long to ask Rev. Armstrong to wait until September, and ask Vernon Rushing to be our interim minister until that time. The vote was eight for, one against.

#### Property

Jim Tallagsen got a contractor to do the air conditioner--it will cost \$100--he will also fix us up in the fall.

Accident report--Buck may be able to go back to light work soon.

Phone problem--we need to find someone to be in the office on the days that Millie is not there.

We are considering equipping the front pews with speakers for the hearing impaired.

The oil company is inquiring about the location of the oil tanks in the ground. Jim will look into this.

We will wait on painting the parsonage until we choose a new pastor.

The back parsonage door needs to be replaced. Also, the back doors to the church will be fixed with metal instead of wood.

#### Music

Robert will come to the next meeting to discuss the organ enhancer. He will put up \$700 if the church puts up \$800.

#### Calender

Millie will be on vacation from June 23-July 8.

#### Old Business

LEMKO--they want to expand by 40 units. This will put them three feet over the city zoning height limit. We will have no response at this time.

Accident report--We talked to the insurance company. Rick Neimaster is not suing us. He has a lawyer to represent himself with the insurance company. The insurance company will contact us with the name of the adjuster. This person will be in Hunt Valley, not California.

#### New Business

We will contact ST. Bridgett's to coordinate the Canton Happening for this year.

The meeting adjourned at 9:50.
