FRIENDLY VISITOR PROJECT

The Dept. of Social Services provides Income Maintenance for low-income elderly and disabled. But contact is desired with these who probably are living alone, often unable to get about or care for their own needs. The attempt is being made to find community folk who will have concern for such folk and will take one or more such folk and keep in touch with them through the days of the week, being a 'friendly visitor.' You can help such an individual by just being a friend and helping when help is needed. Help will be given by the Soc. Services Dep't. in training such visitors. But we need to know that you are willing to help. We hope to get about a half-dozen from our congregation (even if you do not live in this neighborhood, there are lonely folk by you) Tell Dolores Canoles of your interest.

HELP MAKE THE LENTEN SERVICES MEANINGFUL

You have the opportunity to be of help to the Pastor in making our coming mid-week Lenten services (Ash Wednesday is Feb. 27th) truly meaningful. This year we plan to have very informal services, the highlight of each service being the discussion of questions from the Catechism, or on the faith in general. For this purpose Catechisms have been placed in the pew racks (about two to a pew) and cards for questions in each pew card holder. The Pastor requests you to take time on these coming Sundays (including today) in looking and studying the Catechism and then putting down questions on the card and turning in same to usher. These then will be given the Pastor, who will plan the answering of questions in groups if possible, combining similar questions.

This can be a very helpful series of meetings and of extreme help to us in the answering of puzzling matters which may be on our minds. It will not be successful unless you cooperate with the plan of the Pastor and Council and get your questions in.

It is not too soon to begin talking up our mid-week services, and telling others what we plan to do, and inviting them to come with you for this unique experience. Not only the question period will be informal, but the other parts of the service, for instance, the hymns will in large measure be those which are selected by the congregation.

A Prayer for the Church

We thank thee, our Father, for the Church; we praise thee for loving and blessing it. Thou hast been patient with its weaknesses & imperfections; thou has not allowed its torch to be extinguished; it is still a city set upon a hill, defended by thy strong arm.
from The Catechism.

WE THANK OUR YOUTH

We express appreciation to the members of the Youth Group for so ably taking over the two services this morning. Also we desire to say thanks to Rev. Bartell for bringing us the messages of the day.

SERIES ON EVANGELISM TO BEGIN

With the service on the next Lord's Day we will be thinking of the matter of Christian Evangelism, under the topic: "The Biblical Anatomy of Evangelism." The first message is entitled, "The Christian Witness." Services at 7:45 and 10:15 a.m. with the Sacrament to Holy Communion at each Service.

Then at 7:30 each evening, in the sanctuary, the major Evangelistic Service will be held, each night with special music provided and a Bible message.

ABOUT PASTOR RASCHE'S PLANS

Following the retirement from United Evangelical Church, Pastor and Mrs. Rasche move to Timber Ridge U.C.C. Church in the Shenendoah Assoc. of our Central Atlantic Conference, there to assume the pastorate of this very small congregation in the mountainous region west of Winchester, Va. Pastor Rasche will be in semi-retirement, with much less pressure and a much lighter load of responsibility than during these last 13 yrs of work here in Baltimore.

Pastor and Mrs. Rasche will be on vacation at the parsonage here at United until Jan. 8, awaiting the completion of renovations at the Timber Ridge parsonage. On that date the movers will take our household goods to our new home. Since the Pastor's term of service in Baltimore concludes with Dec. 29, he will not be available for any pastoral duties after that date.

Timber Ridge Parsonage is located off US Rt. 50 beyond Winchester, Va. Take #50 west to Gore, Va. (13 mi. from Winchester) Just beyond Gore, state Rt. 259 goes off to the left and up into the hills. Take this road for 5 mi., and you will come to our parsonage, sitting in open country right beyond the tiny village of Highview. The parsonage is located on top of the ridge and is on the right side of the road. On the lawn is a sign saying, 'Timber Ridge U.C.C. Parsonage' Incidentally, the church is about 1 mile from the parsonage.

Our address: Rev. and Mrs. Paul A. Rasche, Timber Ridge U.C.C. Parsonage, Rt. 1, Gore, Va. 22637. We heartily invite you to come and see us. We will be in the beautiful apple country, situated at an elevation of 1100 ft above sea level. You are always welcome. We mean this invitation to be a hearty and sincere one.
