Dear Tom:

Here is a picture which appeared in the December 20th issue of the Catholic Review. It was taken at our church and gives some idea of the positive vibes in the relationships between Sacred Heart of Jesus, St. Brigid's, and United. After five years of work we were also able to include St. Casimir's in our 1995 Interfaith Music Festival this year as well as all the Protestant Churches in Canton-Highlandtown.

We are soon to complete the bell tower project which has included sealing, lighting, and repainting the tower and a complete rebuilding of the clock as well as electronic control and repainting of both bells (the big church bell and the small "potato bell"). When we finish this job we will want to dedicate it. Would you like to come and join us for that celebration?

Best to you in the New Year!

Kindest Personal Regards,

Robert M. Armstrong,
Pastor
