Mr. F. Clarence Rowell, President  
United Evangelical Church  
East Avenue and Dillon Street  
Baltimore, Md. 21224

Dear Mr. Rowell, Pastor and Council Members,

"Great joy comes when doing little things for others." I will be leaving my position as assistant secretary, my last workday will be February 23, 1993.

I loved all the work I did to benefit the Church. The end results were very gratifying. However, I do think you must now appoint someone else to the position of Fellowship Chairman. I will continue to work on all major affairs, etc. but you should have someone here to do all the buying, etc. I will be here (health permitting) on work days and the days of the affair.

"United is a grand ole Church." I will always give it my love and support.

Thank you for being my 'friends.'

Faithfully yours,

*Grace E. Fader*
