

Dear Alice, Susiella, Mr. Rowell
and all members of the Church
Council.

The beautiful gift of the
locket and chain which was
presented to me from all of you
at the Crab Cake Supper on July 9
still has me overwhelmed.
I am now wearing the neck-
lace with much pride.

My family are also
happy for me to have received
such an honorable gift. They
join with me in thanking
you for your thoughtfulness.

You know, as long as my
health is good, I will be
there to help when needed.

God bless you all.

Your friend,
Grace E. Fader

There's something
about you
that sets you apart...
A sunshiny something
that lives
in your heart...
called thoughtfulness.

Thank You So Much
