

Suggestions for report on Daily Vacation Bible School Plans  
from Committee on Christian Education

Dates - June 22-July 3

Time 9:00 to 11:30

Place Friendship Hall, with possible use of Upper Room for teaching

Staff 3 co-chairmen Mrs. Getz, Mrs. Leader, Miss Trautner  
Seeking to get a staff of approximately 20 workers, adults  
and youth

Size of School - Cannot be determined, only gauge is that school of  
2 yrs ago was 70 pupils strong plus staff of 20

Financial plans - School was formerly sole responsibility of Church  
School, and finances came from that direction. Not is is responsibil-  
ity of Committee of Christian Education, for it is not an extension of  
the Church School, but a totally different effort in Christian Educa-  
tion.

Thus cost will come to the Church Treasury.

Approximation of cost (based on approx. 70 students plus 20 staff)

\$120.00 plus cost of supplies and refreshments. Perchance  
the groups will offset this with special gifts for this purpose.
