ATTENTION: Mr. Meredith Carver

Dear Mr. Carver:

Enclosed is a revised estimate of our fire damage to the school building by E. Myring and Sons Co. In as much as we cannot match the linoleum in the Fellowship room, we find that it is necessary to replace the entire room. We have also been advised that if we paint the accoustic tile ceiling, the tile loses its accoustical affects which we do not want. This ceiling is practically new and we believe it should be replaced. Hoping to hear from you in the very near future. I wish to remain

Yours truly,

George Sauer
