6 lbs. Butter	4.62
	<u>\$8.94</u>

TO ALL MEMBERS OF CHURCH COUNCIL:

It is recommendation of several of those persons who served on this Tinsel Day Committee during the past years that beginning with Tinsel Day, 1966:

1. A small charge be made to each person who makes a reservation for dinner on Tinsel Day.
2. A definite menu be set up by the committee -- thereby eliminating the assortment of foods (covered dishes) which have previously been brought in by those attending Tinsel Day Dinner.
3. Possibly with the help of the Girls Guild and others who may volunteer to do so, everyone could be served at a table instead of having to wait in line for their food.
4. Possibly we could have some of the young boys from our Boy Scout Troop available on Saturday morning to set up the tables and chairs for this affair. (This was done by George Hoffmann & Bill Laukeman, 1965 with the help of some of the girls from our Girls Build. This is a big job which can not be done by just a few.
