To the Congregation of United Evangelical Church:  
I accept with pleasure and a deep  
feeling of honor your call to become  
Associate Pastor. I am especially  
pleased to know that as a congregation  
you have accepted the challenge  
of calling a woman. I look forward  
to serving you to the best of my  
abilities and to our continued  
growth together in Christ's Spirit

Sincerely yours,
