

February 1, 1993

The regular monthly meeting of the Church Council of the United Evangelical Church, UCC. was held on Tuesday, February 1, 1993. All members were present.

The minutes and financial reports were approved as presented.

We are \$1968.00 under budget for the month of January.

Correspondence

A letter was received from John Price informing us that he thinks the Tosheba laser printer was over priced and he suggests the Panasonic would save us \$600.00 to \$700.00.

Grace Fader wrote a letter telling us of her resignation from her secretary job and chairperson of the Fellowship committee. She will be resigning as of February 23, 1993.

Property

Jim Tallagsen suggests we think about changing our oil company when the new season starts. He says we can save money by doing this.

Jim would also like to talk to Lou Jenkins about a price for carpeting for the church, offices, quiet room, and hallway. The Council gave him permission to do so.

Jim had a plumber to look into getting heat in the gym. He found an electrical problem in the breaker box. George Nassner will look at the box and see if he can find the problem. If George can not find the problem, Jim will call a license electrician.

Jim will call someone about spraying the metal chairs in Friendship Hall.

Jim also brought to our attention the duties and responsi-

bilities of our custodian. A job description of his duties and responsibilities is attached. The custodian will be under the supervision of Jim Tallagsen.

A motion was made by William Voelker and seconded by George Nassner to let Wayne Schaefer's brother-in-law replace and reglaze windows in the choir room at a cost of \$200.00.
