General Remarks:

This has been a good month. The visitation has been going well, although I lost a week with the flu. (That is why I am below the number of scheduled calls.) The average work week was 5 7/8 hours long.

General Remarks:

This month has been a good month. Home visitations are progressing well. Thirty-two visits per month has again worked well. The average work week has been 55 3/4 hours long. I had one day off in October. The hour long Cyber Supper went pretty well.
