East Avenue and Dillon Street

Baltimore, Maryland 21224

Rev. W. Scott Hengen, III - Pastor

ANNUAL
CONGREGATION
MEETING

January 28, 1979

The end of January is the time when we hear reports from the various organizations of the church. It is also the time for us to evaluate our progress in achieving the Goals and Objectives we established for ourselves for 1977 to 1980. At the Annual Congregational Meeting in January, the Pastor also reports what has happened during the past year. Thus, I would share with you here what I consider our accomplishments during 1978:

A. Accomplishments:

1. Our total planning process utilizing Goals and Objectives has continued to have an important impact on our organizational life together.
2. Action was taken to participate with the Pastor in a study/training/planning project during 1978-79 from which new Goals and Objectives for 1980-85 will probably result. This project is part of the Pastor's Doctor of Ministry studies with Lancaster Theological Seminary.
3. The Interior Renovation Project was a complete success.
4. Sour Beef and Oyster Supper was an improved success.
5. Essential unity within the congregation and with the Pastor have been experienced.
6. Church Council Committees have begun to function in new and improved ways.
7. Improved coordination of activities and plans by our various organizations through the Council Committee on Christian Education.
8. Increased involvement in local neighborhood social service projects (e.g. food baskets, agency executive coordination, approved pre-school program, hospital chaplaincy program, pictorial display, Meals-On-Wheels, Canton Improvement Association, etc.).
9. Increased experiences of festival events (e.g. 105th Anniversary, Tinsel Sunday, Easter, Pentecost, etc.).
10. Continued growth in the participation of younger members in the decision-making process of the congregation.
11. Increased benevolent expenditures for special projects (e.g. Huber Boiler Fund, "Fill The Ark" Project, O.G.H.S., N.I.N., etc.).
12. Change of time for Congregational Meetings for increased participation.
13. Increased participation by members in Chesapeake Association activities.
14. Increased ecumenical activities with neighboring churches.

15. Job descriptions for employed personnel instituted.
16. Attendance campaign (Easter to Pentecost) results: 125 perfect attenders.
17. New prayer and meditation time (Wednesdays, 6-6:30 p.m.) initiated on trial basis.

Memo To:

The Congregation Membership of the United Evangelical Church

Subject: EXAMINATION OF RECORDS

On Tuesday, January 16, 1979, in the presence of the Treasurer, Carole Weidel, former Treasurer, Randy Schmitt, Financial Secretary, Robert Jackson, we, Ruth Beckwith, William Voelker and J. Edwin Myers, examined the financial records of the Church.

In our opinion, the books are in order and all transactions accountable.

CHURCH SCHOOL 1978 REPORT

There have not been many changes in the Church School during this year. For the past two years there have been some organizational problems due to the lack of a superintendent and assistant superintendent. The current staff has been trying to function fully with those vacancies but it has been indeed difficult.

At the end of the year we were sorry to receive the resignation of Mr. Martin Walsh who has served in a very significant way as treasurer for several years. His many services, in addition to those as treasurer, have been appreciated by the church school staff. With his resignation, Mr. J. Edwin Myers has accepted this position. Mrs. Gertrude Everett is a new superintendent in the Senior High Department.

Attendance for the year was down this year. There was a total of 3,866 people attending with an average of 75 children and adults per Sunday.

During the year the Church School purchased a 3M Copier which will be useful to the staff and other organizations for making copies, dittos, and overhead transparencies.

Some of the Church School staff attended two workshops which were offered during the spring and fall. At the sessions we gained new insights into recent changes in UC BHM church school materials and suggestions for enriching our teaching methods.

It is hoped that the year 1979 will bring increased participation by adults and young people.

Respectfully submitted,

Carol Rowell

ACTIVITIES OF THE LADIES AID SOCIETY - 1978

The Ladies Aid Society for the year, had programs on various subjects and participated in many of the church's activities.

One film shown was on Leprosy, "A Doctor Teaches about Leprosy". We have a regular offering to be given to the Leprosy Fund as a memorial to Mrs. Marie Witzke, who had taken care of this fund for a long time.

Another film shown was on "Meals On Wheels" program. The need for volunteer help in this program was stressed. Mrs. Lillian Single and Mrs. Gloria Single actively participated in this program for several months.

At another meeting we were shown slides and cassettes of the Youth Group and their activities.

Our Society prepared the food for the February, 1978 dinner meeting of the National Commission On Neighborhoods. A total of 120 dinners were served.

The Ladies Aid Society cooperated with the Young Women's Guild in the celebration of our Church's 105th Anniversary in helping to provide the birthday luncheon and cake.

Another program centered on the work being done in our area to help needy families with the hope that many more churches will get involved in this program.

The work being done by the Crime Prevention Bureau was the subject of another of our monthly programs.

We also contributed to the cost of reupholstering of 5 church pews as well as giving to the Paint Fund.

We served a Cod Fish Cake Luncheon and Supper for our organization and helped in the Oyster Supper for the Church.

Our members who are now residents at the Homewood Retirement Center were remembered at Christmas time.

We had a very good and fruitful year and look forward with God's help to 1979.

We sang at Abbott Memorial Church on Good Friday.

We provided brass for Easter.

We gave as a memorial to Mr. Albert Witzke, \$320.00 to the Pew Fund.

We provided special music for the Church's 105th Anniversary.

We invited the Men's Chorus of the Chesapeake to sing on Tinsel Sunday.

We had our annual Christmas outing but this year we went to Haussner's Restaurant.

We recruited some new members to the Choir, but unfortunately, we lost a few old members.

Our goals for 1979 are as follows:

To put together and make Choir Festivals an annual affair.

To acquire new members to enable us to have an active Choir of 80 members.

To put on a successful dinner = show on April 20th of this year.

To continue to present good and well liked music for both Worship Services and special events.

The Youth Choir lists the following as their accomplishments in 1978:

The addition of 4 new members, bringing the total number of choristers to 23.

The participation in 10 regular late Worship Services.

The participation in 2 early Worship Services.

The bringing of music to aid in the celebration of the church's 105th Anniversary.

UNITED EVANGELICAL CHURCH - SCOUTING

Activities and Accomplishments For The Year 1978

We started this year out on a good note, by going to historical Antietam, Maryland in February. Then the Boy Scouts, Cub Scouts, Girl Scouts and Leaders of all three groups participated in doing the Baltimore Historical Trails, which consist of four tours of Baltimore City Historical Sites. We have had other enjoyable back-packing hikes throughout the state, and topped our camping off with a week stay at Boy Scout Wilderness, Camp Lilly-Arron Straus, located in western Maryland.

We also participated in the Scout Halloween Party at Girl Scout Camp Ilchester, which included all the troops in scouting from the Church. In October we participated in the Shot Tower Camporee, which is held in Patterson Park. Our patrols finished second and third place, out of twenty-four. Two of our leaders won the adult obstacle course for the second year in a row. One of our projects of last year was to repaint the Boy Scout Room and to make room for the other troops to keep their storage.

This year, our Eagle Scout is Joseph Chalk, who is 13 years of age. He is our newest Eagle Scout. For his Eagle Project he held a bazaar in which all the boy scouts, and a few girl scouts participated. The proceeds of \$400.00 benefited Rosewood State Hospital, in the form of a T.V., a party, and a number of enjoyable games.

Dean Sanders has received the Pope Pius XII Award which is the highest Religious Award given to a Scout. There were also a number of advancements in rank for many of the other boys in the troop.

In relation to our financial status, we have managed to complete all of our activities and to stay within our budget.

At this time, we would like to thank the church, and the council, for allowing us to use the church building for our meetings and other scout activities. Also, we wish to thank the members and others that donated to Scouts.

Dale Sanders
