

PROJECT COVENANT

We, the leaders and members of United Evangelical United Church Of Christ, Baltimore, Maryland, covenant with our Pastor, the Rev. W. Scott Hengen, III, to participate with him in a Doctor of Ministry Project from September, 1978 to September, 1979 in cooperation with Lancaster Theological Seminary. We understand our participation to include a process of guided study, leadership training, and planning for the future under his leadership, direction, and oversight. We will be responsible to participate to the best of our abilities so as to reap the full benefits of this Project for him, for ourselves, and for the profession of the pastoral ministry.
