Baltimore, MD 21224**

Hello Friends,

Welcome to our ALL CHURCH SOUR BEEF AND DUMPLING SUPPER AND BAZZAR. This has been a long tradition of United Evangelical Church. People from all over Baltimore City and surrounding counties have been coming back year after year for this deliciously prepared meal.

We personally want to thank all of you who purchased tickets and to all of those who purchased ads and patron ads. It certainly will help our Church. All proceeds from this friendly affair will be used toward Church welfare.

Art Jones, Jr
Ad Book Chairperson

Fellowship Committee
Church Council

Dear Friends and Neighbors,

You know autumn is here when the Sour Beef and Dumpling Dinner rolls around! How great it is when friends in the community draw together around the family meal table here at United Evangelical Church.

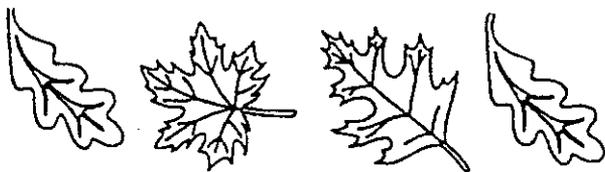

It takes the encouragement and cooperation of the whole congregation to plan, arrange, and publicize this dinner. We celebrate that many people, not only in this congregation, but also in the community give of their time and effort to bring us together in this "neighborhood love feast."

- We thank all the men and women who come together to prepare this delicious meal. This year's leaders are Art and Lois Jones, Jim Tallagsen and John Price.
- Gathering the supplies and setting up tables has been aptly accomplished through the efforts of many people in the church. Thank you!
- Those smiles that greet and seat you, our guests, belong to the cheerful folk of the church. Thank you, for your efforts.
- A thank you also goes to all the servers who serve the dinners with a welcome greeting.

- Many people come together to create the delicious candy and other items that are prepared for sale. A thank you to these talented people.
- The carry-out meals are possible thanks to the efforts of many people.
- A special thank you goes to the office staff who has answered many telephone calls, taken and delivered messages, as well as completed this booklet.
- Where would any celebration be without the loyal folk who remain and clean up after the good time. Thank you "clean-up" team.

May God's richest blessings abide with you and yours this season. We of United Evangelical Church hope you enjoy your meal and time together as you chat with long time friends as well as meet new neighbors and friends. It is in our gathering together that our community grows stronger. Thank you for purchasing tickets, carryout items, but most importantly, thank you for coming to our dinner table!

ALLERGIC TO INSECT STINGS ?

Could it happen again ?

Will it be worse next time ?

If you had a severe or dangerous allergic reaction to yellow jacket, honeybee or wasp stings, you may be eligible to participate in a new study at the Johns Hopkins Allergy Center (at Bayview Research Campus). This study will find out whether your next sting could be worse so we will know who is in danger when they get stung again, and who needs the protective treatment that is available to eliminate this allergy. Participants must be over age 18, will be paid up to \$300, and will receive free testing and (if needed) treatment.

Today, as in many industries, the funeral profession has seen the emergence of national, and even international funeral service conglomerates. But unlike other industries, these conglomerates rarely promote their presence. Often there isn't even a name change.

Are you aware that many of the local funeral homes in this community are now owned and operated by these conglomerates?

As a family-owned and operated funeral firm, we believe we are better prepared to serve your family. There are many reasons why:

Personal pride

A focus on families, not profits

A long term commitment to our community
