UNITED EVANGELICAL CHURCH, U.C.C.
East Avenue and Dillon Street
Baltimore, Maryland 21224
**ALL CHURCH SOUR BEEF & DUMPLING
SUPPER AND BAZAAR**
October 18, and 19, 2000

Hello Friends,

Welcome to our ALL CHURCH
SOUR BEEF AND DUMPLING SUPPER AND
BAZZAR. This has been a long tra-
dition of United Evangelical Church.
People from all over Baltimore City
and surrounding counties have been
coming back year after year for this
deliciously prepared meal.

We personally want to thank all
of you who purchased tickets and to
all of those who purchased ads and
patron ads. It certainly will help
our Church. All proceeds from this
friendly affair will be used toward
Church welfare.

Ad Book Chairperson

Fellowship Committee
Church Council

Dear Friends and Neighbors of United Evangelical:

Our Moslem friends have their Feast of Ramadan, and our Jewish neighbors have Passover, so we here at United have our annual Sour Beef and Dumpling Dinner. I have come to learn that this is as much a faith generated folk festival as all the above, and more.

In this one grand hurricane of activity, we lift an affirmation to the area that we work as a team, functioning as one to provide everyone with a meal to remember in a setting of friendship and sharing. We thank the remarkable energy of so many under the leadership of Frank Tribull whose hard work and careful planning makes the right things happen.

There are those who purchase the food, those who cook –beginning a week before the feast is eaten! For the last couple of days before “Sour Beef Days”, people are in the kitchen from morning to night! Then on the big days, those who greet everyone provide to our visitors a friendly “hello, we are glad you are here”.

Where would we be without all the candy and other items at the bazaar – thank you to all those who gladly volunteer to make, collect, set up, and sell our “goodies”. Of course, there are those who set up tables, those who serve and wait tables, those who prepare the carryout meals – and those who keep track of tickets and money. We thank our office staff who cheerfully answered phone calls and promoted and publicized our venture in good eating. And a special thank you to those who don't sit down after it is all over but become part of the clean-up crew!

In all this we re-discover who we are as a church family, called to many positions of service so that the whole idea of a dinner for the neighbors can be carried out with efficiency and a lot of fun.

We of United Evangelical Church hope you enjoy your meal and time together as you chat with long time friends as well as meet new neighbors and friends. It is in our gathering together that our community grows stronger. Thank you for purchasing tickets, carryout items, but most importantly, that you for coming to our dinner table! May God's richest blessings abide with you and yours!

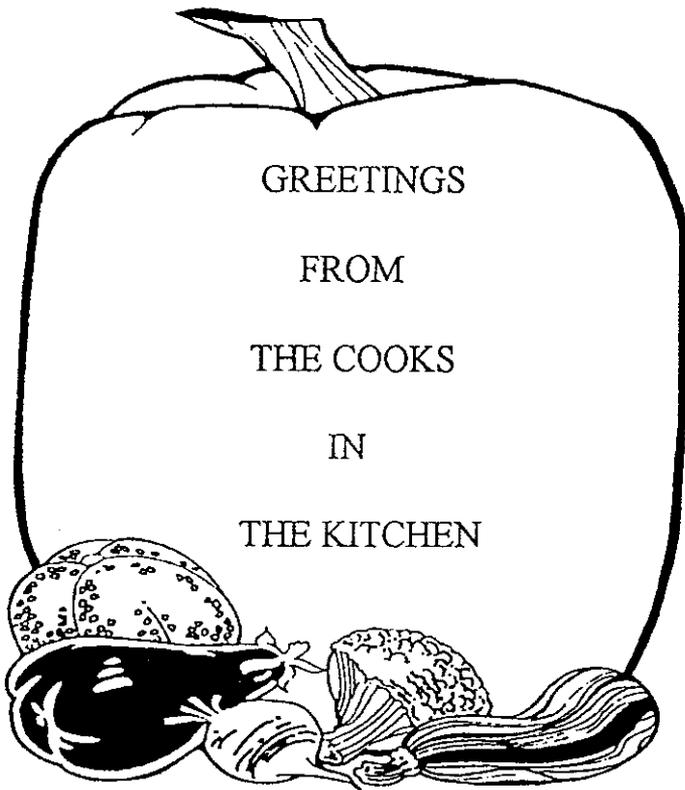

Now, come, all, to the feast and give thanks to God's glory and willing hosts!

Today, as in many industries, the funeral profession has seen the emergence of national, and even international funeral service conglomerates. But unlike other industries, these conglomerates rarely promote their presence. Often there isn't even a name change.

Are you aware that many of the local funeral homes in this community are now owned and operated by these conglomerates?

As a family-owned and operated funeral firm, we believe we are better prepared to serve your family. There are many reasons why:

Personal pride

A focus on families, not profits

A long term commitment to our community

ALLERGIC TO INSECT STINGS ?

Could it happen again ?

Will it be worse next time ?

If you had a severe or dangerous allergic reaction to yellow jacket, honeybee or wasp stings, you may be eligible to participate in a new study at the Johns Hopkins Allergy Center (at Bayview Research Campus). This study will find out whether your next sting could be worse so we will know who is in danger when they get stung again, and who needs the protective treatment that is available to eliminate this allergy. Participants must be over age 18, will be paid up to \$300, and will receive free testing and (if needed) treatment.
