YOU ARE INVITED!!

JOURNEY IN FAITH-LENTEN SERIES

on Ash Wednesday February 17, 1999 at 7:30 p.m.

*The United Evangelical Church (Batz's) invites you
to participate in a traditional Lenten service.*

During the subsequent Wednesdays of Lent each week at 7:30 p.m. we will sponsor a series of Lenten services designed to hear local clergy tell us what called them to their Journey in Faith and why they chose the denomination in which they serve. The series will end with the Tableau at 8:00 p.m. on Holy Week, Wednesday March 31, 1999 when we conclude with an enactment of the Lord's Supper. Speakers for the series are as follows:

- 2-24-99 Deacon Max Hoffman St. Michael's Lutheran Church
- 3-3-99 Fr. Joseph Bochenek, St. Bridgid's Church
- 3-10-99 Cantor Siegfried Rowe, Cantor Emeritus Columbia Jewish Cong.
- 3-17-99 Pastor Justin Nathaneal, Bethel Tamil Church
- 3-24-99 Pastor William George, Patterson Park Baptist

The Living Tableau reproduces Davinci's Last Supper and has taken place at United each Holy Week for over 40 years. It will be enacted again by members and friends of the United Evangelical Church.

Dear Friends:

This Sunday I wanted to thank all of you for sharing this last year of ministry with me and for being so kind during my period of illness. It has been a scary time and one requiring all the resources of my faith. You have all made that easier. The heart warming cards and prayers of love for me and petitions to the Lord for my healing has helped me "keep hope alive". I still have some more tough stuff to go through but give thanks that God has brought me and the household through for now.

Today is a very special day when we celebrate the life and ministry of Joyce Davis. For the past two years she has served our church with distinction and helped us move toward becoming more like God's people; diverse and united and open to the new millennium with all of its opportunities. Joyce looks forward to a life now of creative ministry enriched by the support you have given her during this period of internship at Howard University Theological Seminary. She has walked with us sometimes in the pain of the faith journey, brought her great gifts of prayer to many of our people and her knowledge of the law. All in addition to being a teacher of the faith. In addition through her church she gave us the summary of our mission "God's people, diverse and United" which will guide us in the future years. We shall follow her career with interest and the ways God will call her and use her to serve his people.

On many Sundays we have given members of our family a rose to let them know as Jesus said "You are the light of the world". For such a one is Joyce; a wise and discerning Pastor and a woman of great faith this confirms our great admiration for her work. It is difficult to work full time, attend Seminary, and do an internship with us. We wish her well and hope that she will continue to grow in the grace of our Lord Jesus.

I am still going through some tough stuff with my health but making progress. Among those to whom I am eternally grateful I also want to thank Pastor Joellenbeck. He walked with me though a lot of pain and I shall be eternally grateful. I also wish to thank those who have helped us prepare for our move and those who have provided needed transportation to doctors and hospital during this period.

Love to you all,

Pastor

Dear George,

With this letter, I am confirming my request to retire on September 1, 1999, after completing sixty years of ministry. These nine years have been very happy ones for me and my family. I hope I have been able to contribute to the strength and growth of the Church.

As you know, I have had some health problems recently. Even though I wanted to stay with the church for a tenth year, I find I'm not able to do this.

I want to thank each member of the Council and Church for your support and understanding during the difficult days of my illness. It has been my joy to work with so many fine and dedicated people. I believe as you do, that the future of the Church will depend on everyone's dedication and commitment. My heart will be with you in the days ahead as our faith journey calls us to new directions.

Kindest personal regards,

Bob

Dear George,

Please accept my resignation as Minister for Visitation on the date of August 31, 1999.

I have enjoyed participating in the life of United Evangelical Church, and I know the Church will continue seeking the needs of the community, and providing the important services every congregation requires.

Thank you for letting me be part of the fellowship here in Canton. May God bless the continuing ministry of this Body of Christ, making its witness in Baltimore.

PASTOR'S REPORT:

Adjournment/Closing Prayer

Pastor's Report for October 1999

October was a busy month for everyone! The Sour Beef Dinner gave me an opportunity to meet and know many more people. I continue to look for ways to learn people's names, which takes some time because so many people are just at the church on Sunday. Thanks to all of you who are helping in this venture! I think learning to know names has brought to light the fact that we may need a new pictorial directory, for many of you do not know one another's names!

The main part of my time this month was spent in working on the computer, setting up the bulletin format, and typing a template and the last three bulletins. Thanks go to Rob Gundlach for his input and help with the computer and bulletin formatting. A great deal of time has also been spent helping Darlene and Cass become acquainted with the new windows software program. We had many frustrations, because the software program was not responding the way the same software program does on my home computer. After many day hours on the part of Cass and Darlene, after several attempts to save the work that was done but which was erased by the next day, and several day hours and late nights on my part, I concluded that we must obtain the services of a personal tutor, as I could not spend any more time learning and teaching others. Through the special gift that comes unexpectedly at times from God, just as Darlene and I were concluding that we had gone about as far as possible on our own, in walks the couple with whom I was working with in pre-marital counseling. The first thing I learned about this couple, was that Matt was beginning his own business in computer set-up systems for others. We put him right to work! He is a patient, kind and very knowledgeable young man, and I look forward to the office running more smoothly in the use of the computer.
