WHEN GOD CREATED MOTHERS

When the Good Lord was creating Mothers He was into His sixth day of "overtime". The angel appeared and said, "You're doing a lot of fiddling around on this one". The Lord said, "Have you read the spec on this order?" "She has to be completely washable, but not plastic, have 180 movable parts - all replaceable; run on black coffee and leftovers; have a lap that disappears when she stands up and a kiss that can cure anything from a broken leg to a disappointed love affair and six pairs of hands."

The angel shook her head, "Six pairs of hands - no way!" "It's not the hands that are causing me problems" said the Lord. "It's the three pairs of eyes that Mothers have to have." "Is that the standard model?" asked the angel. The Lord nodded. "One pair that sees through closed doors, when she asks, "What are you kids doing in there?" (when she already knows). Another here in the back of her head that sees what she shouldn't - but what she has to know. Of course the ones here in front that can look at her child, when he goofs-up and say, "I understand and I love you" without so much as uttering a word.

"Lord" said the angel, touching His sleeve gently, "Come to bed - tomorrow". "I can't" said the Lord. "I'm so close to creating something very close to myself." "Already I have one who heals herself, when she is sick - can feed a family of six on one pound of hamburger and can get a nine year old to stand under a shower." The angel circled the model very slowly. "It's too soft," she sighed. "But tough!" said the Lord excitedly. "You cannot imagine what this Mother can do or endure." "Can it think?" "Not only think, but it can reason and compromise" said the Creator.

Finally, the angel bent over and ran her finger across the cheek. "There's a leak" she pronounced. "I told you that you were trying to put too much into this model." "It's not a leak" said the Lord, "it's a tear." "What is it for"? "It is for joy, sadness, disappointment, pain, loneliness and pride." "You are a genius" said the angel.

The Lord looked somber, "I didn't put it there."

TO A DEAR DAUGHTER

It's nice to have a daughter, especially one like you.
So this has come to tell you so,
And then to mention too,
How lovingly you're being wished
The nicest kind of day.
And then a year that brings
A world of happiness your way.

ME AND MY TEDDY BEAR -Marlene Nislein

"ME AND MY TEDDY BEAR"

Me and my teddy bear
Have no worries, have no cares
Me and my teddy bear
Just play and play all day.

Every nite he's with me as I climb
up the stairs
He kneels down right beside me until
I say my prayers.
Just me and my teddy bear
Have no worries, have no cares.
Me and my teddy bear
Just play and play all day.

SCHOOL DAYS - Jennifer Kovacsi

"SCHOOL DAYS"

School days, school days,
Dear old golden rule days.
Reading' and 'ritin' and 'rithmetic,
Taught to the tune of a hick'ry stick.
You were my queen in calico,
I was your bashful barefoot beau,
And you wrote on my slate,
"I love you so"
When we were a couple of kids.

GIRL SCOUTS - Melissa Meyer

Make new friends, but keep the old.
One is silver and the other is gold.

PROM - Stacey Schindler

"A WHITE SPORT COAT AND A PINK CARNATION"

A white sport coat and a pink carnation
I'm all dressed up for the dance.

A white sport coat and a pink carnation
I'm all alone in romance.

Once you told me long ago
To the prom with me you'd go.
Now you've changed your mind it seems
Someone else will hold my queen.

A white sport coat and a pink carnation
And in a blue, blue mood.

GRADUATE - Beth Ann Smith

KEEP ME WHISTLIN'

I've heard the first call of the robins
For more than eighty years.

And yet, today,
Hearing them once again,
Makes me want to sing.

(Can't sing!)

I've watched for countless springs
Graceful young things

Bounding on dancing feet,
And seeing them today
Makes me want to leap and play.

(Can't leap - arthritis!)

It's long ago since I heard
A whip-poor-will

Whistlin' away in the wood,
But I heard one today -
Makes me want to
Whistle and play.

(Can't whistle - dentures!)

Yes, my throat is tight,
And my knees are stiff,
And my dentures rattle around a bit.
But in my heart, oh how I can sing.
How my spirit leaps,
How I laugh and spring!

God, keep me whistlin' merry tunes
Remembering lovely distant Junes,
Remembering birds
And flowers and fields
From the treasured harvest
Memory yields.

Sue C. Boynton

LIFE'S LITTLE BLESSINGS

So many of life's little blessings today
Will come unnoticed and slip away,
While we continue to grumble and fuss,
Ignoring the good God who gave them
to us.

How much more happy our lives would be,
If instead of complaining, we'd just
stop to see
The numerous blessings He gives us each
day,
Which lighten our burdens and brighten
our way.
