

A photograph of a bouquet of roses in a green vase. The roses are in various shades of red, pink, and yellow. One yellow rose at the top has the year '1992' written on it in black cursive. The vase is green and sits on a dark red, textured surface. The background is dark and out of focus.

MOTHER AND DAUGHTER

A great sculptor just witnessed the
greatest miracle of life,
He watched enthralled as His loving wife,
Gave birth to a beautiful, healthy girl.
Immediately a vision began to unfurl
A wonderful chisled peace of art
Of a mother with baby held close to her
heart
With eyes that were seeing into the future
All the wonderful feats her baby will
conquer.

Her first smile, first word, first step so
proud
First day of school, graduation and first
boy friend allowed.
Engagement and wedding all could he show
In the eyes of a mother, a dream to bestow
And what could he call a statue so true
Just a mother and baby would never do,
Just three words --- no other
On the base of this stone I'll carve

Tiny Bubbles.....Dance Class

Tiny bubbles in the wine
Make me happy, make me feel fine
Tiny bubbles make me warm all over
With the feeling that I'm gonna, love you till the end of time.
So here's to the golden moon
And here's to the silver sea
And mostly here's a toast to you and me.
Tiny bubbles in the wine
Make me happy, make me feel fine
Tiny bubbles make me warm all over
With the feeling that I'm gonna, love you till the end of time.

Whatever Will Be, Will BeAudience

When I was just a little girl, I asked my mother
What will I be? Will I be pretty? Will I be rich?
Here's what she said to me

Chorus: Que Sera Sera – Whatever will be will be
The future's not ours to see. Que Sera Sera. What will be, will be.

When I was just a child in school, I asked my teacher
What should I try? Should I paint pictures? Should I sing songs?
This was her wise reply. (Chorus)

When I grew up and fell in love, I asked my lover

What lies ahead? Will we have rainbows day after day?
Here's what my lover said (Chorus)

When I had children of my own, They asked their mother
What will I be? Will I be pretty, will I be rich
I tell them tenderly (Chorus)

Thank Heaven For Little GirlsAudience

Thank heaven for little girls!
For little girls get bigger every day.
Thank heaven for little girls!
They grow up in the most delightful way.
Those little eyes so helpless and appealing
One day will flash and send you crashing through the ceiling
Thank heaven for little girls!
Thank heaven for them no matter where
No matter who, Without them what would little boys do?

Mother of the Year PresentationMarty Craig

There she is Mrs. Guida. There she is your ideal.
The dreams of a million girls who are more than pretty
May come true at Old United
For they may turn out to be the queen of femininity.
There she is Mrs. Guida. There she is your ideal.
With so many beauties she'll take Canton by storm
With her all American face and form!
And there she is, walking on air, she is
Fairest of fair she is Mrs. Women's Guida!

Grand Finale.....Choirs and Audience

Farewell to thee farewell to thee
Thou charming one who dwells among the bowers
One fond embrace before I now depart
Until we meet again.

God bless America. Land that I love.
Stand beside her and guide her.
From the light with the light from above.
From the mountains, to the prairies
To the oceans white with foam.
God bless America, my home sweet home.
God bless America, my home sweet home.

Blest be the tie that binds
Our hearts in Christian love.
The fellowship of kindred minds
Is like to that above.
