(✓) Elected.

\* It appears that William Meyers completed the 2<sup>nd</sup> year of Robert Jackson's term of office in 1996. Then he was elected to a two-year term (1997+1998); therefore William Meyers should have been the sixth person on the ballot at the recent election in November 1998.

Cass Young was appointed to fill William Meyers two-year term (1999-2000).
