Dear Friends:

Again I want to thank you folks at United Evangelical for the cordial reception accorded us on the Sundays of January 16 and 23. The opportunity of seeing old friends and participating with you in the worship services was much appreciated by Mrs. Weisser and me.

I want to thank you very sincerely for the check presented to me, and also for your thoughtfulness in paying the motel bill on the 16th.

Yours cordially,
Ralph E. Weisser
