Prayer - Pledge and Response

We pledge ourselves :

To follow, through the coming year,  
The light that God gives us to shine upon our way  
The way of life that Jesus lived,  
The love that Jesus revealed in His sacrifice.  
To realize that we are stewards with God  
To enrich our lives and develop our talents  
That we may be worthy stewards.  
To share our gifts and blessings  
More joyously and generously than ever before.  
To be conscious that we are " sons of God."

Teachings of the Christian Church in the Youth

Service at 10:15 A.M. Next Sunday " God " and

illustrated by some of the great symbols of

the Church. These days we have so many differ-

ent aspects of life presented to us in the

turmoil and confusion. The Bible gives us

some clear-out teachings about our "Attitudes

in Life". Next Sunday evening at 7:45 P.M.

we take as our first theme : " The Circling

Circle." Is life just one thing after another,

or is there the purpose of God in it?
