Dear Friends:

We are happy as a United Evangelical Church family to welcome the Rev. Paul A. Rasche as our new Pastor.

All of you have been so co-operative in the work of United Church. We ask that you keep up this spirit with the new pastor. He will need your prayers, your friendship, your co-operation, for ours is the work of Jesus Christ and His church must be carried on. It is of utmost importance that we serve Jesus Christ and our fellowmen through our church, for the Good News of His Love is essential to all.

Naturally with the coming of the new pastor changes will take place. No two persons work alike. Adjustments will have to be made. Peace and harmony need to prevail.

Your present pastor will then, according to the decision of the congregation, be Pastor Emeritus. He will assist in case of emergencies, at services and communion observances and make certain calls at the request of Pastor Rasche.

But keep this in mind. Pastor Rasche will be the pastor of the church. All arrangements for baptisms, weddings, funerals and other official acts of the Church must go through him. He will have charge of United Church.

Thank you for the fine response in the past. We are sure that you will keep it up in the future.

Sincerely yours,

Rev. Titus Lehmann
