With the threat of a shortage of oysters, we were successful in getting very good select oysters for padding. As usual there was a tremendous shortage of waitresses. Many ladies who use to do this now feel it is getting too hard for them to do. There was good help elsewhere. We regret we had some tickets returned because the persons could not wait to be served (we ran about 25 minutes behind schedule).

If you have the supper next year, we hope something can be done to give the ladies more stove burners to work with. This caused the delay problem along with the waitresses getting upset over the delay.

The supper was a success. Work days went smoothly with plenty of help. We assume approximately 60/75 members and friends helped at the affair.

To each of you "thank you" for the love and support you gave this beloved church.

Sincerely,
