

We go back over 140 years and during that time there have been a lot of hymns sung, prayers prayed, sermons preached, beans baked, chickens fried, corn roasted, jokes told, friendships made, illnesses healed and loved ones buried.

Our Pastor is Rev. John Stephen Fair. He offers a caring personal ministry.

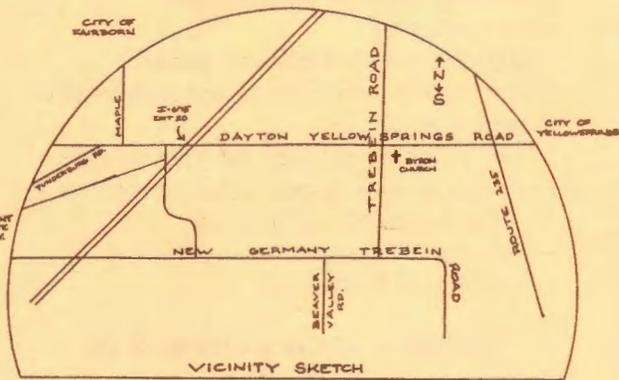

Our heritage stems from the Congregational Christian and the Evangelical and Reformed backgrounds.

We trace our roots to the 16th century Reformation, the New Testament Christianity, and to the Hebrew heritage.

The United Church of Christ is one of the top ten denominations with more than 6500 congregations in the United States.

It pioneered missions in many countries such as Hawaii, India and Turkey, and we serve in many nations today.

YOU ARE INVITED TO BECOME ACQUAINTED WITH US

We are from many walks of life

We have a rural orientation and come from all around: Byron, Fairborn, Yellow Springs, Xenia, Beavercreek, Springfield, South Charleston, Kettering, and Dayton.

Of course, prayer and worship serve an important function in our lives.

And we have a lot of fun also with flea markets, lawn socials, pancake suppers, pig roasts, and more.

There's a lot of friendliness here.

Hard workers, the people of this church, through the Guild and Men's Fellowship. Our Congregation annually elects a Man for This Season and a Man for All Seasons as examples of dedication and perseverance.

It founded major colleges: Harvard, Yale, Oberlin, Defiance, Heidelberg, to mention some.

It opened a new retirement home, Trinity in Beavercreek; one of four in Ohio. It opened an adult home for retarded in Canton, Ohio.

We have accomplished much but there is much more to do.
