## December, 2000 Pastor's Report

The last month has been very busy, and will be until after Christmas. Preparing for Advent through prayer and study has been at the forefront of all that I do. The Advent and Christmas Eve services are being planned in consultation with Rob Gundlach. A thank you to Leslie and Kathleen Earl for making the new Advent Wreath and to Olga deBloom, Rob and the choir, and all those who help prepare for worship services. (communion, lighting of Advent Candles etc.)

The 7:30 Christmas Eve service will be a candlelight, communion service of Lessons and Carols, with lectors reading the lessons.

The following have been a large part of my pastoral ministry this last month.

- There have been many people ill, I have continued to make visits to hospitals two to three times a week, visits to homes and nursing homes, plus phone calls to those needing pastoral attention as well as funerals.
- Cards continue to be sent for birthdays and to shut-ins.
- I am sending over 50 Christmas cards to friends and shut-ins. A big thank you to Ruth Beckwith and Arlene Pate for purchasing and addressing these cards.
- Writing correspondence, writing the Christmas letter, for the newsletter and for the Christmas booklet in addition to preparing the Sunday bulletin.
- Teaching and working with our fine Confirmation Class.
- Thank you to all the staff, Cass Young, Darlene Waters, Art Jones for all that they do this time of year.
- I ask permission to take 4 or 5 vacation days Thursday, December 28<sup>th</sup> returning Wednesday late morning Wednesday, Jan. 3<sup>rd</sup> 2001. Deacon Max Hoffman will preach at the one service on New Year's Eve morning at 10:AM. He will also preach January 14, as I am gone for the week-end for study leave.

May you all have a blessed Christmas as we anticipate working together in the Spirit of Christ during the New Year.

*Pastor Corinne Baker*

The majority of my time has been spent on:

1) LENT

Main Emphasis is planning Sunday services which have something extra in them during Lent and also to put together poster/PR material for speakers and prepare the Wednesday Lenten bulleting and services.

2) CONFIRMATION

I AM ASKING THAT ALL COUNCIL MEMBERS MAKE AN EFFORT to join the confirmation class at their time of EXAMINATION.

The "EXAM" is scheduled AFTER WORSHIP on Sunday, APRIL 1<sup>ST</sup>.

I have really enjoyed working with these girls this year and am very proud of the four confirmands and the interest and work they have done. They are: Amber Loving, (daughter of Steve and Tammy, Dick and Carolyn's granddaughter) Brittany Marsh (she was in Lori P.'s Sunday School Class,) Sarah Pijanowski (daughter of Lori and granddaughter of Bill and Joan Hoffman) and Kristin Wehner, (granddaughter of Charles and Rose Marie Clapin.)

I know you feel as strongly as I do about wanting these youth to continue to participate in activities and worship here at United.

YOU can show them that they matter to the church officers and give YOUR support, care, and love, by attending their exam. This is the culmination of their hard work, meeting weekly, since the end of last September.

At the end of the Confirmands exam, I will ask you council members to share your names and position on Council, and how long you have been a member - how did you join (were you confirmed here etc.)

After this there should be a little break while the light lunch that Lori Pijanowshi is in charge is put out on the serving table.

PLEASE USE THIS TIME TO MINGLE with the confirmands and get to know them by name etc. They are all learning to acolyte, and you can share how much you enjoy having them as a part of our Sunday Service etc. Lori has asked the PARENTS of the confirmands to bring a dish to share for the confirmand luncheon. YOU ARE INVITED TO STAY FOR LUNCH to get to know the confirmands better. If you are planning to stay for lunch, PLEASE LET LORI KNOW so she can prepare more food, or VOLUNTEER TO BRING A DISH or chips or something. I know of no money to help with this, since in the past only cookies and punch were served.

CONFIRMATION is Palm Sunday April 8

FIRST COMMUNION for them is on Easter Sunday.

3) CALENDAR:

- March 14, Rev. Harry Holfelder, Interim Pastor of Chestnut Grove P.C.
- March 21 Community Lenten Service and Festival of Choirs
- March 28 Father Joe Bochenek, Pastor of St. Brigid's R.C. Church
- April 4 Rev. Wesley C. Baker, Interim Pastor of Kittamaquondi Church
- April 1, CONFIRMATION EXAM and refreshments
- April 8<sup>th</sup> CONFIRMATION and Blessing of the Palms
- April 11 50<sup>th</sup> Anniversary of Tableau
- April 12, Tennebrae Communion Service
- April 13, Good Friday 9:00 AM and noon to three
- April 15, EASTER
- April 22, Confirmation Reunion

4) Continue Weekly tasks of Preparing bulletin

- Beginning to take Lent/Easter communion to shut-ins
- Preparing lector information
- Sending out birthday and "thinking of you" cards
- Calling on people who are ill in hospital and home
- Phoning people to keep in touch

- Comforting families in the loss of a loved one - Funerals
- Planning wedding/baptisms
- Holding wedding/baptism conferences
- Going over attendance at worship - contacting people who are absent
- sending personal letter to visitors

5) VACATION/STUDY LEAVE

VACATION is 4 weeks per year, which goes from 9/1/00 to 8/31/01

STUDY LEAVE is 2 weeks per year -

I took four days vacation after Christmas

I took 1 Sunday for conference in Philadelphia

SPAIN trip council approved at Feb. meeting.

Wesley and I are still planning to go from about Monday, May 14 to Monday 28 or Tuesday the 29<sup>th</sup>. *If we can get AIRFARE At a reasonable rate.*

One week will be STUDY LEAVE One week will be VACATION

That totals 1 week and 4 days VACATION (or more depending on when we come back from Spain)

1 week and 1 Sunday for Study Leave

I am asking permission to attend my granddaughter's first communion on Sunday, April 29<sup>th</sup>, and would like to come back here on Friday. This would add another 5-6 days vacation to the 1 week and 4 days to 2 + weeks.

## **APRIL PASTOR'S REPORT**

### **LENT and EASTER**

Evaluation - I received a lot of good feedback about how meaningful the evening services were.

HOLY WEEK - was very labor intensive for everyone - I had 8 services in one week. I haven't had a whole day off for a month or more - and MANY OF the Council Members/ choir members/ secretaries/ ROB worked very hard also.

Reflect now when memory is fresh how you feel now about so many services during Holy Week. Tues. was Tableau Practice

Wed. was Tableau

Thurs. Maundy Thursday

Friday 9:00 AM, the cross

Then 12 - 3 afternoon service

Sunday - 6:00 AM or 10:30 AM

**CONFIRMATION** - went well -

**COMMUNION** - taken out to about  $\frac{1}{2}$  members --- have the rest to do.

May 8, 2001 PASTOR'S REPORT WEAR RED on Pentecost, June 3<sup>rd</sup>!

This has been a good month. There was no time to sit for a spell after Easter, for United has many great plans! I had the funeral this morning of Eleanor Grace Martin.

1) SPRING BANQUET - Wednesday, May 9, 2001

It seems most of the congregation is involved in a super way! Even the Sunday School. Thanks to Doloros Canoles and Cathy Fifield and MANY others who have worked hours!

2) OPEN HOUSE - Saturday, May 12<sup>th</sup> 11:00 AM - 4:00 PM

We need everyone possible here -- if nothing else to smile, and visit and have a good time!

Thanks to all who are helping - especially the committee of George Nassner, Olga DeBloom, Denise Kelly, John Williams, Doloros Canoles. Also, Pam Georgiadis and Linda Luckhardt who have joined the committee recently. George will have a full report.

3) SPAGHETTI DINNER - Sunday, May 20<sup>th</sup>

Please support Art and Lois, Olga, George, all those who usually help in the kitchen - it will be a fun time!

4) CONTACTING MEMBERS -

I continue to send cards, make hospital calls, phone as many people as I know about. Yesterday, I took my mother with me and we went to visit Ruth Beckwith and Lena Kemp. I have made more communion calls since Easter, but there are always more to do!

5) VISITORS AND MEMBERS IRREGULAR IN ATTENDANCE

Please take every opportunity to say hello to visitors. I continue to try ways to make the bulletin more user friendly. I have a "welcome time" each Sunday now.

ALSO - VERY important - those of you who were here on CONFIRMATION REUNION Sunday noticed how glowingly all the members of the 50<sup>th</sup> year class talked about United. Yet none of them attend anymore. I can hardly believe that they ALL have church homes - CALL UP and invite them back to worship and tell them how much you enjoyed seeing them again! BE positive! ALSO, there are many people who fall through the cracks that you sit by, or notice that someone who regularly sits in a place is absent. TAKE a few moments to phone

and say how you miss them and encourage them to come back. "It sure will be nice to see you again over the next couple of Sundays." Etc. We could fill the church with former members or inactive members - and everyone that I have talked with have talked in glowing terms.

6) MAYOR'S PROPOSED 8% ENERGY TAX

This is a very short-sighted plan! This would hurt deeply many churches, I wonder if this is a tactic to get the shortfall before the public with no real intention of carrying through on the 8% tax. According to what I have read and heard on the radio, if Baltimore would have more and competent auditors the city could collect on the THOUSANDS of dollars of various kinds of fines owed them!

7) VACATION AND STUDY LEAVE COVERAGE

Deacon Max Hoffman has graciously agreed to be on call if needed. According to my last conversation with him during Confirmation Reunion Sunday, he is retiring in June and I think he welcomes a change of pace.

I told Pastor Joellenbeck I would be away May 14 coming back Fri. evening June 1<sup>st</sup> and he said he would be available. I REPEATED that Max has offered, and that Pastor should take care of himself, and if called it is perfectly ok to refer them to Max. None of us wants him to overdo!

PREACHERS (I left 4 pages of notes for Dottie so I don't need to do that for the 27<sup>th</sup>)

May 13, Mother's Day - C. Baker

May 20, Max Hoffmann

May 27, Memorial Day Weekend - Dottie LaPenta (She really liked

June 3, PENTECOST - C. Baker being here!)

FUTURE RESPONSIBILITIES -

I have worked very hard to type and edit all of the bulletins through June 3<sup>rd</sup>. Darlene will enter any music Rob gives her.

I have also written and sent all the lector's letters through June 3<sup>rd</sup>.

I am still working on all the cards through that time that ARLENE PATE graciously addresses and provides stamps for.

As far as I know I am almost caught up -

A BIG THANK YOU TO CASS AND DARLENE who help keep me going in a straight line! THANK YOU for being so welcoming to my mother!

## PASTOR'S REPORT

Rev. Corinne Baker

September 2001

- Over the last week, I have been especially busy talking to pastors, planning and typing bulletins for special services on Wednesday 9-12-01 and the ecumenical service at 5:00 PM on Sunday, 9-16-01 in O'Donnell Park. We had a good turn-out for both. Wednesday's was around 80 + and Sunday's was around 175 +.

- I have been promoting UCC offering for victims and families "Hope From The Rubble".
- I hope all of you read the moving letter from Germany by Rev. Thomas's letter, President of U.C.C. Denomination,

I spent an unusual amount of time preparing the services and the bulletins and wondered if it was worth it, but the feedback I received was that having the prayers and scriptures printed was helpful. Several people came up, especially after the Sun. eve. service, wanting additional bulletins & scripture -we did run out. People seemed to be looking for spiritual guidance.

- **SPREADING THE NEWS - A BIG THANK YOU** to Carol and Clarence Rowell for designing the flyer for "Rally Day" -- the beginning of the fall season in Sunday School on 9-09-01 - and to Kris Orendorff for running the flyer off on bright colored paper. They were distributed around the neighborhood, to PACT children, and in the bulletin and newsletter. There was a good turn-out!
- **MEMBERSHIP COMMITTEE** - I worked with Cass to support Membership Committee in sending out special letters and planning for visitors and a new member class.
  - We went over names of people from weddings, funerals, baptisms and sent letters to all who had children
  - I sent letters to a few families that I knew or had met
  - Cass designed and I worked with printer to get new note cards with the church's photo on the front of the card to send to visitors etc.
- **VISITORS** - Followed up on visitors, writing notes and talking with them.
  - Please NOTE the list of visitors - on "Rally Day" we had 19 visitors - PLEASE learn to know them and VISIT WITH THESE PEOPLE!
- **NEW MEMBER CLASSES** - New Member Classes are planned to occur between or after worship on Sundays September 30 and October 7<sup>th</sup>.
- **WORLD COMMUNION** is October 7<sup>th</sup>. Planning for World Communion and events to involve children - Cathy Fifield has several ideas.
- **NEIGHBORS IN NEED - NOTE - NEIGHBORS IN NEED** is also October 7<sup>th</sup>.

- WEDDING -  
Conference and wedding of John Lambert, Virginia Richards 8-18-01
- FUNERAL -  
Henry Smit (active member earlier in adult life) -- family conference, visit to funeral home, and funeral on 8-16-01
- CONFIRMATION CLASSES - are planned for confirmation classes to begin on 10-14-01
  - So far there are two young people
- CARDS - I continue to send birthday, illness and other cards.
- VISITS - I continue to visit and take communion to people.
- FOLLOW-UP - Follow up with people via telephone contact is continuing.

XX LETTERS - BULLETINS - NEWSLETTER - To attract more visitors and in light of the current number of visitors and the opportunity for our church to help and encourage people in their quest for spiritual help during this time of national tragedy, I RECOMMEND THAT THE COUNCIL MAKE GOOD COMMUNICATION WITH THE CONGREGATION AND THE PUBLIC A PRIORITY. (I have several copies of church newsletters to pass around as samples.)

Our bulletins, letters and newsletters need to look more professional.

Becky Orendorff has begun to do some proofreading with the announcement pages and the newsletters and will also begin proofing the bulletins.

For ideas to improve our newsletter, I have given Darlene many newsletters from different churches along with articles and suggestions about how to put together a church newsletter. Darlene is very creative and certainly has the capability to learn a publishing software program and someone, perhaps John Price or someone else, will need to help her get started using the one we have, or in purchasing a new program. (There are many.)

One of the ways we can continue to make our presence known in the community and to involve visitors in the church is to KEEP THE NAME OF THE CHURCH in front of people. To keep up with the kind of communication that people are accustomed to in other publications we must take the time to make OUR CONTACT with them one that shows we care about and have respect for our church.

THIS ALSO MEANS THAT COUNCIL MEMBERS and church members MUST make the effort to give to Darlene information, INFORMATION! It is helpful if it is typed out, or copy ready, or given to her on a floppy disk.

- NOTE - ANNIVERSARY SUNDAY this Sunday, 23<sup>rd</sup>. Also, Father Joe's Ordination celebration at St. Brigid's following the 10:30 AM service.

- Sanctuary is beautiful and comfortable.
- Music is good.
  - Rob Gundlach, the Music Director and Organist is a real asset.
- Lay Participation
  - It is a real plus to have lay people read the scriptures.
  - It is an inspiration to see how well the Lectors take responsibility for their ministry. Lectors feel that their spiritual life has grown during this time.
- Sunday School Building
- Caring Congregation
  - The congregation is more relaxed, there is more trust.
  - The congregation tends to be more traditional in their worship style.

At this meeting, the following were also discussed:

### COUNCIL MEMBER'S RESPONSIBILITIES

1. Council Members are the spiritual leaders of the congregation, and as such, they should be willing to commit themselves to regular Bible reading, prayer, discussions with others.  
As congregational leaders become aware of how prayer brings them closer to God in times of concern, joy, that they be willing to share their experiences with individual members in appropriate situations. This could mean that when individuals turn to leaders to share an illness, concern, even a joy, that the leader be willing to offer a

prayer (if appropriate) or share if and how prayer has helped the leader in difficult situations.

2. Council Members can help identify areas where the church is or is not meeting the spiritual needs of the people. They can help identify areas of joy and concern in the congregation by being aware of:
  - what is happening in activities of the church,
  - by listening to people.
3. Council Members help organize programs and practices that meet the traditional principles of the church as well as meeting the spiritual needs of the people.
4. Council Members serve as resource people to encourage other members to be active and take responsibility in order to fulfill their membership responsibilities. This is the key way that other people are trained and drawn into the active leadership of the church. This means that the leaders ask, encourage and train others to perform the tasks in their areas of responsibility rather than doing the task themselves without involving others.
5. Council Members direct the work of the church. This means that the leader takes responsibility to see that the major areas in the life of the church (worship, service/outreach/mission, education, fellowship, administrative and fiscal) have people who have experience in or people who have been trained to carry them out.
  - In the discussion the council members also discussed that the general attitudes of leaders and members need to improve and above all, leaders must set the example for the congregation of not criticizing the council, or individual members, or the staff, to anyone in the congregation or the community. By not joining in discussions which are putting down the church and its leaders in places like the back of the church during worship, or outside on the sidewalk, or during a fellowship time but instead listen carefully to the concern and interrupt if it is necessary saying that the leader hears the concern and will take it up with the president or the council, rather than to allow the bickering to continue and spread.

- Communicating clearly and often with the congregation was discussed with many stating that this is a must.

THE FOLLOWING ARE ALSO ISSUES THAT ARE IMPORTANT FOR THE FUTURE GROWTH OF UNITED EVANGELICAL CHURCH BY THE INTERIM PASTOR

- \* At the September 18, 2001 meeting additional conversation centered around the same issue that was discussed above, namely that council members should not talk in a negative way about any decision the council has made, or talk in a negative way about any staff person, or a council or congregational member.
- \* At this same September 18, 2001 meeting, discussion occurred around the necessity of supporting the new pastor at all times in the congregation, in the community and, if the council member thinks it is needed, then talk to the pastor and or president.
- Discussion also centered around CHANGE and how important it is to realize and accept that their must be changes made. With the new pastor, the council may decide to add an additional hymnal, or change or add to or substitute with other changes.

THE INTERIM PASTOR FEELS IT WILL BE IMPORTANT IN THE FUTURE FOR COUNCIL AND THE NEW PASTOR TO LOOK AT:

1. Appointing the new pastor as head of staff to better coordinate the work of the pastor and the church. This would also include assessing the job descriptions of the secretaries.
2. It is important for the secretaries to receive training on computers, on publication software, and training on any part of their responsibility which will continually need to be upgraded.
3. Assessing the computer/printer needs of the office.
4. To studying if it would be advisable to change the Sunday schedule to provide Sunday School during one of the services so that a parent or parents could come for one hour and have their children attend Sunday School. This might include having the children in worship for the first few minutes, and then being dismissed to Sunday School for the rest of the time. The children could also be brought back in at the conclusion of the

service if there is an important part of the service where they should attend.

5. Discussing the situation of many Sunday School teachers not attending worship, as well as many parents who come to Sunday School not attending worship with or without children. This seems to divide the congregation into those who attend worship and those who attend Sunday School and continues the pattern of both not being part of the whole.
6. The new pastor should have a new computer provided from the church for him/her to work in the church office or in the parsonage. (Unless the new pastor does not need one). Communication via internet etc. is a must in the future.
7. Reaching out to the community and communicating this need to the congregation must continue with the understanding that this will be a long-term commitment. CHURCH GROWTH takes concentrated, on-going, continual nurturing.
8. The Public Relations efforts of the church is improving and will need to continually improve. It would be helpful for the leadership to continue discussing how to make the outside appearance of the church look more inviting and accessible.
9. The ushers are where visitors form their first impression of the church. The role of "welcoming" will need to be emphasized - perhaps even with job descriptions.
10. The area of finances should be discussed in order to make the reports for the congregation easily interpreted and the money counters must all know and follow the same procedures.
- 11.

(5)

11. As the church continues to grow and become more focused on the community, a commitment to a particular mission/outreach program will nurture the faith of the members as well as provide Christ's love to the community. Younger people/couples who both work have a strong desire to commit to a particular outreach program that will immediately help others - that has a particular focus. They are not interested in attending meetings where issues are discussed, with little action. We have discussed this issue many times.
12. Welcome Information Folders will need to be upgraded. The firm that the church contracted with for the pictorial directory will provide several hundred at no additional cost.
13. Communication and support between the new pastor and the president of the congregation as well as the pastor search committee will need to be more open, more frequent, and be strong and supportive for the new pastor to begin and sustain the first year with success.
14. The area of finances should be discussed in order to make the reports for the congregation easily interpreted and the money counters all must know and follow the same procedures. I wonder for counters, if an easier method of recording how money is distributed into different accounts can be found.
15. Spiritual growth/nurture needs to be encouraged. There are fellowship groups, but, beside Sunday School, there are no study groups/support small group ministries. The history of this congregation tends to be one where bible study has not been a major interest.
15. The congregation has several warm, supportive groups who care for each other. This is a real asset, but can also be a hindrance to shy or new people who do not know how to break into these groups. The friendliness and care that people give to one another is very heart-warming and inspirational.

I believe that the biggest hurdle to face is that of change. I think that we have made big improvements in this area - even though there is much improvement still needed. When I arrived, I found that trust in the pastor was very low. Part of this issue was the change that was involved between the previous pastor and a new woman pastor who had a much different style of ministry.

People, it seemed, came to appreciate the interim pastor's style of caring and leading Worship. At first, many people expressed surprise that the interim pastor was interested in them as a person, rather than this being one more "job" along the way. I have enjoyed the challenges, joys and fellowship during these two years immensely. A big thank you to Rob, Cass, Darlene, George and other council members for their love, support and encouragement.
