Dear George,

I want to write a simple note of thanks to you personally to state again our gratitude for all you've done for us as president of United Evangelical Church. This was a busy year. You, too, went far beyond the line of duty. The treasure that letter from you to Pastor Care. Our highest wish is that with the coming of your newly elected Pastor Fair, all will go smoothly and United will be "united" in every way.

The Reception last Sunday was a delight to Helene and me, my eight family members and friends at the head table. Please tell the people at your Congregational meeting after the second service on November 25<sup>th</sup> that we say "thanks for everything" - especially the friendships we've made in the last months. We feel a part of your Christian fellowship there and hope to visit at services and some social functions.

With sincere appreciation, we remain,

Pastor and Helene Schaeffer

S. Like me, Helene attended both services on every Sunday during my interimship. H.A.W.S.
