Dear George,

With this letter, I am confirming my request to retire on September 1, 1999, after completing sixty years of ministry. These nine years have been very happy ones for me and my family. I hope I have been able to contribute to the strength and growth of the Church.

As you know, I have had some health problems recently. Even though I wanted to stay with the church for a tenth year, I find I'm not able to do this.

I want to thank each member of the Council and Church for your support and understanding during the difficult days of my illness. It has been my joy to work with so many fine and dedicated people. I believe as you do, that the future of the Church will depend on everyone's dedication and commitment. My heart will be with you in the days ahead as our faith journey calls us to new directions.

Kindest personal regards,

Bob
