

UNITED EVANGELICAL CHURCH

Stewardship/Membership Committee

Meeting: March 7, 1981 - 11:00 a.m.

In: Church Lounge

1. Pastor Hengen opened meeting with a prayer.
2. Discussion to use tape ~~players~~ to take messages of the church services, organization meetings, etc. to the home bound. Volunteers needed. Ed. Myers will ask church school for use of tape recording machine. Last Supper tableau now on tape as well as film. Special equipment needed for this which John Bond and Robert Gundlach own. Need council approval. *motion approved*
3. Attendance cards to be inserted in church bulletins again. Purpose: to know who our active members are. Pastor said signing attendance card each month at communion time is sufficient. Mrs. Fader would like them collected during service in the same fashion as we did years ago. These to be recorded on church records then turned over to her for future membership/stewardship work. Needs council approval. *motion carried. to start this Sunday.*
4. Discussion of committment letters. What are we going to do about this in 1981? Mr. Oberlander objected to letters mailed last year. Mr. Myers thought response was good inasmuch as this was first time doing this. Mr. Myers will handle this again this year. Needs Council approval.
5. One Great Hour of Sharing - March 29th. Posters have been hung.
6. Recommend to Church Council - Stewardship materials for April. Pastor Hengen closed meeting with a prayer.
