Gentlemen:

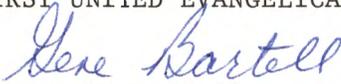

Thank you for your recent contribution of \$80 to the Supper Club soup kitchen. We opened the Supper Club because of the large number of hungry people in the lower Fells Point area of Baltimore City. In addition to being hungry, many suffer from alcoholism and mental illness ... all are poor ... many are homeless.

Since our total program is made up of volunteers who do all of the shopping, cooking and serving, etc., we also rely on voluntary financial support. We are able to serve over 125 needy brothers and sisters because of you; wanting to reach out and help!

Please know that your contribution is truly appreciated and gratefully accepted in the spirit in which it is given.

Cordially,

THE SUPPER CLUB
