PABC Floor 17  
East Fayette Street  
Baltimore, Maryland 21202-4331

Dear Mr. Weiss:

I am the property chairman for the United evangelical Church and as you may know, the parking spaces in our neighborhood are very limited. We at the church are asking that you survey the streets around our church and see if it is feasible for you to grant us permission to park our automobiles on one side of the street at an angle on East Avenue, from 935 South East Ave. through 945 South East Ave, on Sundays only. This would facilitate parking for our congregation as well as our neighbors during Sunday service from 7:00Am through 12:30 Am. We are requesting your consideration because most of our members are senior citizens and most have problems walking to the church from parking spots they may find in the area.

Thank you in advance for your prompt attention and kind consideration of our request

Sincerely

John M. Price  
For  
United Evangelical Church
