## **SACRED HEART OF JESUS PARISH**

on your centennial year celebration

Since 1877 four generations of the von Paris family have been members of and contributed to the growth and development of Sacred Heart Parish. In 1909 Bonaventure von Paris and Theresa J. Anton were the first couple to be married in the basement of the new church on Foster Avenue and Third Street (now Conkling). Nine sons and daughters, born to this marriage, were raised and educated at Sacred Heart. They are the present owners and operators of VON PARIS MOVING AND STORAGE COMPANY. The Company likewise grew and prospered within the parish until 1965, when its main office was relocated to Timonium. In the spirit of appreciation we as a family and a corporation say thanks to the Redemptorist Fathers, School Sisters of Notre Dame and all the people of the parish. May God bless its growth and development in the generations ahead.

---

Ever since John Sebastian Zeiler drove the first Redemptorist Father from St. Michael's Church to Highlandtown in his finest carriage drawn by his most spirited horses, we have been proudly associated with the growth and development of Sacred Heart Parish. That was a century ago and the beginning of a tradition of service and of dedication to the Christian Community of Highlandtown which we have zealously maintained. We have shared your grief at the passing of your dear ones, considering your loss as a personal loss of a dear friend and fellow parishioner. Yet, all was not sadness, you allowed us to share in many of your joys. At the turn of the century our hacks were a familiar sight on the streets of Highlandtown as they drove the proud Godparents and a still prouder father to Church on a Sunday afternoon for Baptism. How many nervous brides of yesteryear and of today were brought to Church to make their marriage vows in one of our carriages or limousines.

It was the late Charles George Zeiler, the founder of Lilly & Zeiler, who with vision and foresight realized that a parish had to have the stability of a good neighborhood to prosper and endure. Every family had the right to own their home. Together with a few of his friends, he helped many families buy their own homes at reasonable rates of interest through the local Building and Loan Associations of which he was a charter and active member. Thus after a century, Sacred Heart Church is the center of a progressive, flourishing and proud neighborhood.

We are grateful to have shared in this past century's experiences with our many friends and neighbors and promise to continue to give our wholehearted support and service in the years to come.
