

LOST—956 CHILDREN

In the last ten years Rev. Lehmann has baptized 1306 children. At present there are about 250 scholars in our Sunday School. **Where are the missing 956?** All of these youngsters need a foundation upon which to build their character. This task could be made much easier by attendance at Sunday School and Church. Won't you see that your children attend Sunday at 9 A. M.?
