

August 4, 1987

The regular monthly meeting of the Church Council of the United Evangelical United Church of Christ was held on Tuesday, August 4, 1987, President, Mr. William Voelker, presiding. All were present except for Mr. George Carrigan, Mr. Jim Tallegesen, and Mrs. Sharon Daniloski. Pastor Fair was also absent due to his vacation.

The minutes and the financial reports were approved as read. Mr. Parker expressed concern over the church running over budget. Mr Gundlach requested that money be put in the checking account so that expenses could be covered.

#### Property Committee

The freezer will be checked because it is not working properly.

Air conditioning unit #4 has died. The compressor has burnt out. It will cost \$4000 to replace, allowing for unforeseen expenses. This new unit will have a five year guarantee. Mr. Voelker thinks we need to go to the congregation before we can spend this amount of money. He will put an announcement in the bulletin.

Mr. Rob Gundlach will put the mailing list on a computer disk for Millie to use in the future.

#### Fellowship

The council recieved a thank you note from Kathy Fair for the reception following Jennifer's baptism.

Anniversary Sunday will be September 29. We will serve sandwiches, Ice Cream and Cake after the Church Service.

#### Spiritual

The committee will be holding a meeting to discuss evaluating the Pastor in the near future.

#### Music

Mr. Rob Gundlach will go on vacation September 7 and 14. Mrs Dolores Canoles will fill in.

#### Mini Bus Committee

The bus was purchased for \$1000. We have the license and the certification. A policy for bus use will be published. We will need a special bus usage committee consisting of a member of the Calender, Finance, and Property committees, the Pastor, and an organizational representative. This will be run through the calender committee. There are three potential drivers.

#### Old Business

The Bell Tower is not working yet--no news.

The Sunday School purchased the Bibles.

There has been no progress on the roof.

The window in the Kitchen has been fixed.

We have bought spray and the materials to spray for roaches ourselves.

The council has decided that it is alright for Millie to run off raffle tickets, but the groups should cut and number them themselves.
