

December 1, 1987

The regular monthly meeting of the United Evangelical Church was held on Tuesday, December 1, 1987, President, Mr. William Voelker, presiding. All were in attendance except for Art Jones, Jim Tallegesen, and Charles Carrigan.

Before the regular meeting started, Mr. Myrick had several concerns to bring to the Council on behalf of the Choir. First, the choir was not asked if they would sing at the 11:00 service on Christmas Eve. Everyone just assumed that they would. The council voted to accept whatever the Choir decided to do. Second, Mr. Myrick said that a desk had been taken from the choir room. Pastor Fair explained that he had borrowed the desk for Millie to use while working on a large project. Mr. Myrick was amendable that the desk be used for this purpose. Lastly, Mr. Myrick asked about the show curtains that were either misplaced or stolen. It was decided that he will make new curtains if the council will donate the money.

The minutes were approved as read. The ad in the Guide will be \$18.70 per week for seven weeks.
