

September 6, 1988

The regular monthly meeting of the United Evangelical United Church of Christ was held on Tuesday, Sept. 6, 1988, President, Mrs. Grace Fader presiding. All were in attendance except for Paul Bauersfeld, Jim Tallagsen, and Gloria Rolphing. The minutes were approved as read.

Finance

The church is now \$13,000.00 in the hole. We have about \$82,000 in the bank not including the checking account. The money from the bull roast will go into the general fund, along with \$3000 from Harbor Federal and \$3600 from Municipal for a total of \$8500.00

There was a question about Diane Borkman's taxes. Should we be taking them out. Decision was that she is considered self-employed--she will have to file forms with the IRS.

Property

The boiler has been repaired with exception of the work on the valves.

The sump pump is still spitting out sand. The city has come to look at it. They think the alley, which is need of repair, is causing it.

The air conditioner control boxes will be changed

The boy scout lockers must be moved.

The screens were pulled off on August 29. Police think it was an attempted robbery. They are watching the building. The locks were tampered with last night (9/5/88).

The air conditioner in the baby's bedroom died. We will buy a new one while the price is down.

There were BB shots through the choir room window.

We will get someone to look at the roof for leaks. This is still a problem.

Membership/Spiritual

Report on the meeting with Dr. Hamilton. He had a few suggestions. The same group will meet again to discuss his suggestions. Mrs. Fader will mail notes from meeting to all members of both committees. (see minutes)
