

October 4, 1988

The regular monthly meeting of the United Evangelical Church was held on Tuesday, October 4, 1988 at 7:30 pm, president, Mrs. Grace Fader, Presiding.

All were in attendance except for Art Jones, George Carrigan, and Charles Carrigan. It was announced that Mr. William Voelker will be taking the spot of Gloria Rolphing, who resigned for personal reasons.

Finance

We are now \$24,337.69 in the hole. Mrs. Daniloski said that she has drawn another \$3000 out to cover expenses. We have decided to let the benevolences ride until after the supper. Motion to approve the financial report was passes. (Rowell/Bauersfeld)

Property

The boilers are done--all they need is some asbestos work done. They have not been fired up yet. Their will be about \$75.00 more in expenses. Bills on the boiler are completely paid.

Mr. Tallagsen suggested that we look around to find a new oil company. He will look into it.

There is still sand in the sump pump. The city put dye in the alley to test it--if it is the alley it is their problem.

October 9 begins fire prevention week. We will announce to the congregation about the fire exits.

When the air conditioners are winterized, they will put new controls on them that are easier to use.

The ceiling will not be painted before the supper. Mrs. Fader would like to get a price on getting this done professionally.

Mr. Tallagsen announced that their are still doors being left unlocked. Mrs. Fader asked that we go around to the organizations and ask them to make sure they lock the doors.

Roof--no progress--we have not received an estimate yet.

The pavements are starting to disintegrate. We no longer use salt on them--we will use a special chemical. Replacing pavements is very expensive.

Anniversary sign will stay up until the end of the year. The bulletin board will be changed soon for the supper.

Roaches have been found in the kitchen. The exterminator will come in soon.
