

November 13, 1988

A special meeting of the United Evangelical Church Council was called on Sunday, Nov. 13, 1988, president, Mrs. Grace Fader presiding. All were in attendance except for George and Charles Carrigan.

The pastor's requirements for the bull roast were stated as such.

1. Of all the wheels at the roast, 1/2 or less would be money wheels.

2. There would be equally interesting activities for non-gamblers.

3. There would be no selling of tickets on Sunday Mornings.

The bingo cash payoffs will be discussed at a later date. Pastor Fair does not believe we should have cash gambling on the church site.

This will be the official recommendation of the Council.

Motion was made by Paul Bauersfeld, seconded by Calvin Gundlach. The vote was 9 for with one abstention.

Mr. Voelker believed we should also appeal to the congregation for more money in the envelopes.

Respectfully submitted,
