December 1, 1976

Dear Colleague:

Personal Advent-Christmas greetings.

As a Fellow and Colleague in the Doctor of Ministry Program at Lancaster Theological Seminary, Lancaster, Pennsylvania, I have a personal request for your help. I am at the point of completing my Independent Study program before submitting my Project Proposal. But I am having difficulty with only one part. And that's where you come in.

Dr. James Glasse is Chairperson of my Independent Study Review Committee, mostly because included in my I.S. contract is a section using the Lancaster Case Study Method. It is unique because it involves career development and planning. To complete that section I need a Case Study Group of at least 5 other local clergy to review, analyze, criticize, and evaluate ten (10) case studies which I have already written. In exchange for your willingness to participate in this Group, I will share with you my expertise from previous training and experience in the use of this Case Study Method. In addition, I will committ myself to become part of this Group on a continuing basis should we decide to continue beyond the consideration of my ten (10) case studies.

Therefore, let me suggest the five (5) Mondays in January, 1977 (January 3, 10, 17, 24 and 31) from 9:30 a.m. to noon as the best times for completing this study project. There is ample space here at this Church in Southeast Baltimore to do it here. However, I would be willing to come to a more central location for all involved. Perhaps you could suggest a better time or place. Please let me know by return mail if I can count on you to participate with me in this growth experience.

Thank you in advance for your kind consideration of this request.

Sincerely,

Rev. W. Scott Hengen III

The Rev. W. Scott W. Hengen, III
Pastor
