Gentlemen:

Complying with your request, we reviewed your buildings so as to prepare replacement cost figures for insurance purposes.

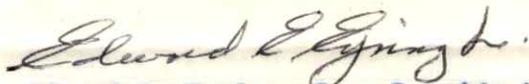

In our opinion, after careful study, the following figures should be used as replacement costs:

Church, including Air Conditioning	\$350,000.00
Hall	\$250,000.00
Parsonage	\$45,000.00

645,000

Very truly yours,
