Councilman Nick D'Adamo
Baltimore City Hall
100 Holiday Street
Baltimore, Md. 21202

Dear Mr. D'Adamo:

Our Church Office Secretary made several calls to you personally regarding a water problem we are experiencing at our Church, United Evangelical Church, UCC, East Avenue and Dillon Street. I was stunned when I was advised that you called on October 4th and stated that you could do nothing to help us.

Immediately a call was placed to Councilman "Mimi" Dipietro and within two hours, 7 men including a Supervisor of the Water Department appeared and began checking the situation. A dye test was done and the City finds it is their problem and steps are being taken to correct the problem.

My question is how can it be that one Councilman can do nothing and another Councilman from the same District gave us immediate satisfaction?

Yours truly,

UNITED EVANGELICAL CHURCH, U.C.C.
