Dear

We wish to express our appreciation for your gift to United Church from the proceeds of the sale of the Conkling Pleasure Club, Inc. We especially appreciate your gift because of the long term support of programs for young people in the church over the years from 1938.

I will share this good news with the Church on Sunday. But we would like to have you think about a Sunday when we can have you as our guest to formally thank you for your generosity and support. I shall be in touch with you soon.

Cordially,

George Hammerbacher
